The 2022 Tanalian Graduation was a great celebration. We graduated 5 seniors and 3 Kindergarteners.

We left up our graduation decor and held an Activities & Art Award night for our JrH and H.S.

Cross Country Coach Heidi Wilder recognized all her runners with awards and certificates, and celebrated her three runners who went to state: Alianna Voran, Daniel Wardell, and Ellah Wardell.

Volleyball Coach Glen Alsworth Jr awarded each team member for another State Championship! They have won the state championship 3 out of the last 4 years.

Girls Basketball Coach Sarah Hummel gave personalized awards to each of her 5 players and told stories of how they grew this season and amazingly took 6th at State!

Boys Basketball Coach Riley Morigeau recognized all his players with awards and certificates, and announced two of his players who were named as All-State players this year: Daniel Wardell and Isaac Fowler.

Patti Brock recognized all her Student Government students with certificates of appreciation for organizing and running community events as well as the coffee shop this school year.

Cam Metzgar was able to award his BOB students for a terrific job well done - again!

Matthew Grossmann ran Chess Club for students this year. In the SW Regional Chess Tournament 4th grader Nolan Nahdee got 1st place, and 3rd grader Augustine Metzgar (who had never played before) got 3rd place!

Patti Brock's Kindergarten students - Jeremiah Negaard and Noelle Grossmann - took 2nd place in the LPSD BOB this year!
