

Alak School 2nd Quarter Board Report

Principal Stanley Bolling

November 4, 2021

Student Count: 177

- 90 Females
- 87 Males

Alak School is under COVID RED status. Students receive remote learning. The COVID Response Team will meet on Dec 1, 2021 to recommend an upgrade status from RED to YELLOW or GREEN status

MAPS testing was completed and more than 90 percent of student body completed the test.

All but one vacant teaching position is filled:

- 7th grade teacher has arrived.
- 4th grade teacher has quit and his replacement has been hired.
- Alak schools CTE teaching position was reallocated to PreK3/4. No teacher yet.
- School Principal teaches 2 elective courses to support critical course offerings for Senior students who lost their Inupiaq teacher due to termination.

One paraprofessional volunteer has chosen to tutor ELL students on the Sylvan Learning program. The teacher aide will tutor twice a week for two hours each day. Alak school has a caseload of 34 ELL students.

Volleyball season is over. Due to COVID, Alak athletes were never able to compete with other outside competitors and did not attend regionals because school went to COVID RED status.

School pictures were cancelled due to bad weather. The Photographer said he would not be able to come back this school year.

Two Alak students participated in Excel Alaska Career Orientation program.

All former Alak School graduates will receive an Amazon gift card worth \$272.00 from the Indian Education Program.
