Re: Recommendation to hire the following: Jacquie Caniano as a paraprofessional for the 2025-26 School Year

To support our students with IEPs, we are excited to welcome a new paraprofessional to our team: Jacquie Caniano. Jacquie brings enthusiasm, empathy, and creative energy to her work, and she has a natural ability to build strong, positive relationships with students. Her energetic and compassionate approach makes her a great fit for supporting students who benefit from encouragement, consistency, and personalized attention. Jacquie will be working with students across settings—at recess, throughout the building, and on bus routes—to help reinforce expectations and provide individualized support.
