

Nippersink District 2 Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Experiences During Transitional Grades

As our fifth-grade students prepare for the transition to middle school, NMS has organized a series of engaging experiences to help ease the transition process. On April 25th, RGS was happy to welcome the middle school's band, jazz band, and choir, providing our students with a taste of the vibrant arts programs available at the next level. The performances not only showcased the talents of their peers but also ignited excitement about the possibilities awaiting them in middle school.

Looking ahead, we're excited that on May 22nd, our fifth-grade students will have the opportunity to visit the middle school. During this visit, they will meet with the administration, receive a guided tour of the school facilities, and connect with the transition camp team responsible for the August summer camp. These experiences are designed to familiarize students with their new environment, build relationships with staff, and alleviate any apprehensions they may have about the transition to middle school. We are committed to ensuring a smooth and positive transition for all our students as they embark on this exciting new chapter in their academic journey.

School Celebrations

The Illinois Principal Association Leadership Breakfast serves as a platform for educational leaders to gather and celebrate our future leaders. At this year's event, we had the privilege of recognizing two outstanding fifth grade students from RGS for their exceptional achievements and contributions to our school community. Their leadership and positive impact on their peers served as a testament to the values we strive to instill in all our students. It was an honor to celebrate their success on such a prestigious occasion. Congratulations once again to Alaina Valsa and Conor Jefko!

Upcoming Dates

May 23 Field Day
May 23 4th Quarter Grades Due
May 24 Field Day Rain Date
May 28 Early Dismissal @ 11:45AM - Last day of school
May 28 4th Quarter Grades Post
June 3-20 Summer School at SGE M-Th 9A-12P
