AGENDA ITEM: 10.15

TOPIC: Course Deletion – Adventures in Agriculture B

BACKGROUND:

In preparation for our upcoming transition to a 9-12 high school, the Agriculture Department conducted a review of their current course offerings to determine any needed changes as 9th grade moves to the high school.

PROCESS:

Through their review of current course offerings, the Agriculture department determined that *Adventures in Agriculture A* should move to 9th grade and be titled simply *Adventures in Agriculture*, eliminating the need for *Adventures in Agriculture B*. As a result of these discussions the Agriculture Department in collaboration with Teaching & Learning recommends elimination of the course *Adventures in Agriculture B*.

RECOMMENDATION: First Reading of Proposed Course Deletion:
