

**DUPAGE ELEMENTARY SCHOOL DISTRICT 13  
BOARD OF EDUCATION  
BLOOMINGDALE, ILLINOIS  
Regular Meeting September 24, 2018**

**FOR ACTION**

**Subject: Resolution for Serious Transportation Safety Hazards**

State statute requires that we annually determine hazardous conditions within the school district that require the busing of children less than one and one-half miles from school.

This resolution becomes supporting documentation for our student transportation expense claim to the State Board of Education.

**Recommendation:**

The Board of Education approve the Resolution for Certification of Previous Serious Safety Hazard Findings and authorize the President and Secretary to sign said resolution.
