# Current standing

## STAFF SURVEY RESULTS

- Lack of clear, consistent expectations across schools
- Student behavior & supervision challenges
- Belief that the pay doesn't reflect the extra workload or time commitment
- Work-life balance and family commitments
- “Spanish club threw a wrench in offerings” due to unintentional competition for students

# Internal clarity & consistency

ACROSS THE DISTRICT

- Flexibility on number of sessions taught
- Flexibility on days taught per session
- Options and examples of courses taught will be shared
- Clarity on daily rate ~\$46.00 (\$960 per session)

- Supervisor hired to help with parent pickup (those showing up late)

# Jefferson clubs & intramurals

## POTENTIAL ADDITIONAL OPPORTUNITIES

- Allow sixth grade students to attend certain intramurals and afterschool clubs at Jefferson Junior High
- Limited space as current program numbers are high
- Due to driver/bus shortages, activity bus availability for elementary schools will be a challenge
