

Terrell Independent School District

Executive Summary Report

Date	District Guiding Pillar	
August 18, 2025	Human Capital and Resources: Develop the capacity of every teacher and staff member to deliver rigorous, enriching learning experiences to every student and ensure the safety of all.	

Agenda Item: Consider Approval of the TISD Head Start Service Plans

Summary:

Headstart is required to complete comprehensive plans indicating how each program will service students and families.

These Include:

- Program Governance
- Program Management
- Human Resources
- Transition Services
- Program Structure
- Health Performance Standards
- Education and Child Development
- Eligibility, Recruitment, Selection, Enrollment, and Attendance
- Family and Community Engagement
- Transportation

TISD's Head Start Program is in compliance with federal regulations governing the program.
