  - b. 3R/climate and culture update

    - ii. Numbers update - We have over 2000 3R star recognitions sent.

      1. Freshman Success - Danny present our positive notes system to the freshman success teams. It was very successful and they had a lot of questions asked of them.
      2. Attendance Roundtable. Erik presented our ideas to the attendance roundtable.
    - v. Email home praising students- we emailed all parents about how well our students were doing with their 3R's.
  - c. Activities update
    - i. Winter sports-
      1. Playoffs. Our girls basketball and wrestling have a playoff game/matches this weekend. Swimming, boys basketball, and bowling are finished.
    - ii. Winter Play-
      1. Our drama club will present "Fools" over the next two weekends.
    - iii. Senior Superstars - our seniors have voted to cancel senior superstars with Hidden Valley this year. They will do something in-house instead.
    - iv. We had about 40 students from Fleming come up last week at our last home basketball game to sign their intent to do after school activities when they become freshmen next year.
  - d. Academic update
    - i. Incompletes - 1st semester "I"s have been changed to "F"s on transcripts. There was discussion on the confusion that some parents have while they are trying to track their students progress through the semester as an "I" seems to reflect something different in each teacher's gradebook.

- ii. Team - Knight Time has been going smoothly. We will start focusing on student led conferences in a couple of weeks.
- iii. All of our teachers went on a learning walk yesterday. They were able to visit another classroom and observe another teacher for a period. They then discussed how they could put some new methods to work in their own classrooms.
- iv. Our attendance is about the same as last year.
- v. We will be putting in several CTE classes in the survey that students will take as we begin to build next year's schedule.
