WHEREAS, the District is a political subdivision of the State of Texas, located in Denton County, and a legally constituted independent school district, engaged in the provision of education and related services for the benefit of the citizens of the Denton Independent School District; and

WHEREAS, this Agreement is made under the authority granted to the County and the District pursuant to the Interlocal Cooperation Act of the V.T.C.A. Government Code § 791; and

WHEREAS, the County and the District desire to improve the efficiency and effectiveness of local governmental entities by acknowledging the need for ONE (1) SCHOOL RESOURCE INVESTIGATOR and all equipment necessary for the prompt and effective utilization of such investigator; and

NOW THEREFORE, for and in consideration of the mutual covenants, promises, and agreements contained herein, and for other good and valuable consideration, the County and the District for mutual consideration hereinafter stated, agree and understand as follows:

1. TERM OF AGREEMENT

1.1 This term of this Agreement will be for one (1) year beginning October 1, 2022 and will continue through September 30, 2023, at which time it will terminate. In the event a new Inter-Local Agreement is not executed prior to the expiration of this Agreement, and the Sheriff's Office continues to provide the School Resource Investigator services, the District shall reimburse and compensate the County for the services at the rate set by the Denton County Commissioners Court for the next fiscal year.

1.2 TERMINATION: This Agreement may be terminated at any time, by either party giving thirty (30) days advance written notice to the other party. In the event of such termination by either party, should County be overcompensated for all services performed to

termination date, and/or be overcompensated for reimbursable expenses as authorized by this Agreement, then District shall be reimbursed for all such over compensation. Acceptance of said reimbursement shall not constitute a waiver of any claim that may otherwise arise out of this Agreement. Within thirty (30) days of termination under this provision, County shall forward to District a final invoice for reimbursement to the County for personnel expenditures and District shall remit payment in full within thirty (30) days after the date of receipt of such invoice.

1.3 DEFAULT: District or County is required to give written notice of default under this Agreement, including either party's failure to comply with, or breach of this Agreement, to the defaulting party, which details such default, omission or oversight. Such notice must be provided in writing in accordance with the notice provision of this Agreement. No oral notices will be recognized as a formal notice of default. The defaulting party has a reasonable period of time, not to exceed thirty (30) calendar days, to cure the default or to take corrective measure to correct the default. If the defaulting party fails to cure the default or to take corrective measures, the party giving notice may reduce or withhold payments or services to the defaulting party for an agreed period or amount which will not exceed thirty (30) days. Thereafter, the party giving notice may terminate this Agreement in accordance with the termination requirements of this Agreement.

When the Denton County Judge closes the County, announcements will be posted to the County's website at www.dentoncounty.gov and provided via text message to employees who have registered with NIXLE to receive weather or other emergency announcements on their mobile devices.

2. Denton County Office Closures and Delayed Openings:

When an official closure or delayed opening is issued by the Denton County Judge, work time lost shall be coded in Kronos using the pay code "County Closure Paid Time Off (County Closure PTO)".

County Closures PTO will not exceed 40 hours annually without Commissioners Court approval.

Part-time employees who are eligible for benefits will receive either $\frac{1}{2}$ or $\frac{3}{4}$ of a full-time employee accrual based upon the number of budgeted hours.

Part-time employees who are not eligible for benefits are not eligible for County Closure PTO.

County Closure PTO balances expire after 12 months and are not paid upon termination.

If County Closure PTO needed exceeds the amount of the annual award, then Commissioners Court may consider additional hours.

a. For full day closures:

Employees not reporting for their scheduled shift the day of closure shall claim no more County Closure PTO hours than necessary to make their shift whole.

County Closure PTO hours claimed shall not cause the employee's total hours to exceed that of the employee's regularly scheduled shift.

b. For partial day closures:

Employees leaving early, or not reporting for their scheduled shift, shall claim no more County Closure PTO hours than the amount of hours necessary to make their shift whole.

County Closure PTO hours claimed shall not cause the employee's total hours to exceed that of the number of hours by which the employee's shift was impacted by the closure or delayed opening.

c. All closures:

Employees shall not claim more than the number of scheduled hours impacted by the closure, delayed opening, or early closure of the County offices.

d. Employees not scheduled to work at the impacted time(s) are not eligible to claim County Closure PTO hours.

e. Employees who received prior approval to take a scheduled day off using benefit time or unpaid leave on the impacted day(s) are not eligible to claim County Closure PTO hours.

f. Employees who are required to work within any shift on the day of the closure or delayed opening may use their County Closures PTO on a

scheduled day in the future, but it must be taken within twelve months of when it is accrued.

1. Managers should ensure that employees that were required to work on the closure are scheduled soon thereafter for their day off in the future.
 2. Full Day Closures - The amount of hours taken in the future shall not exceed the number of regularly scheduled hours the employee normally works.
 3. Partial Day Closures – The amount of hours taken in the future shall not exceed the number of hours that would have been affected during the actual closure when it occurred in real time.
-
- g. If an employee exhausts the awarded accrual balance prior to Commissioners Court's approval of additional County Closure PTO, then the employee may be required to use other appropriate accrued benefit leave.
 - h. For departmental closures that occur outside of the official closure by the County Judge will require the employee to use appropriate benefit accruals such as vacation, comp time or personal time.

3. Examples:

- a. For an 8:00am-5:00pm shift with a delayed opening at 10:00am, an employee shall not claim more than two (2) hours of County Closure PTO.
- b. For a 6:00am-2:00pm shift with a delayed opening at 10:00am, an employee shall not claim more than four (4) hours of County Closure PTO.
- c. For an 8:00am-5:00pm shift with an early closure at 3:00pm, an employee shall not claim more than two (2) hours of County Closure PTO.

4. Not Reporting for Scheduled Shift:

- a. Employees who are unable to report to work must contact their respective Department Head/Supervisor and review their circumstances.

- b. Such notification and review must be made no later than fifteen (15) minutes prior to their regularly scheduled shift or as soon as reasonably possible.
- c. Time lost from work when not approved may result in leave without pay or other disciplinary action.
- d. Final timecard documentation decisions will be determined by the Department Head/Elected Official, in compliance with this policy.

Overtime (Non-Exempt) (3.3)

Policy

Policy:

I. POLICY

Compensatory time is the method of payment for time worked in lieu of overtime payment.

II. PROCEDURE

A. COMPENSATION FOR OVERTIME WORKED: (NON-LAW ENFORCEMENT)

1. All non-exempt employees, other than law enforcement personnel, may accumulate up to 240 hours of compensatory time. After this time, they must be paid for overtime worked.

Example: An employee actually works forty-five (45) hours. The employee is granted five (5) hours overtime at time and one-half rates ($5 \times 1.5 = 7.5$ hours.)

2. When an employee uses benefit time as well as time worked to accumulate more than forty (40) hours of compensatory time, the hours shall be accumulated at straight time (36 hours worked + 8 hours holiday = 44 hours. Compensatory time would be 4 hours.)

When a holiday is worked, the employee shall be paid for the hours worked plus accrual of eight (8) hours compensatory time.

Example: The employee worked five (5) days, one of which was a holiday. The employee would be paid for 40 hours and accumulate 8 hours compensatory time.

B. COMPENSATION OF OVERTIME WORKED:
(NON-EXEMPT LAW ENFORCEMENT)

1. Overtime will be paid in either compensatory time or pay when required.
2. All hours worked up to eighty (80) hours during a 14-Day Work Period shall be compensated at straight time.
3. Hours worked from eighty-one (81) through eighty-six (86) during the 14-Day Work Period shall be compensated with compensatory time on a straight time basis. Hours worked in excess of eighty-six (86) hours shall be compensated on a time and a half basis.
4. Time not worked but compensated, such as sick-leave, holiday, vacation, etc., shall be calculated at straight time.
5. All law enforcement personnel shall be compensated for all overtime accumulated in excess of four-hundred-eighty (480) hours upon completion of the 14-Day Work Period.

C. ALTERNATE COMPENSATION FOR OVERTIME WORKED
(NON-EXEMPT, COUNTY FUNDED EMPLOYEES)

1. Denton County budgets limited funds in order to pay overtime wages. Individual departments will be allotted the portion of the sum that is proportionate to the percentage of non-exempt, county funded positions in the department. Funds cannot be transferred out of this line item. Compensatory time rules will be suspended and overtime will be paid for hours actually worked in excess of 40 hours per week (or 86 hours per pay period for law enforcement personnel) when all of the following are true:
 - a. The department head or elected official of the department to which the employee is assigned determines that the department has sufficient budgeted funds to pay for the overtime hours worked; and,
 - b. The employee requests overtime pay in writing and has the supervisor's written approval.

2. A department may not transfer more than the original budgeted amount for the fiscal year for overtime funds into this line item.

D. COMPENSATORY TIME BALANCES

All compensatory time shall be carried over from year to year and any balance shall be paid upon separation, transfer to an exempt position, or transfer to the supervision of another department head or elected official.

E. APPROVAL OF OVERTIME

All overtime worked must be approved by the Supervisor.

F. APPROVAL OF TIME OFF

Compensatory time off is to be approved by the Supervisor in compliance with the Fair Labor Standards Act.
