

OES Principal's Report – May 19, 2010

Current Enrollment: 391

PPCD – 10

Pre-Kindergarten – 33

Kindergarten – 58

First Grade – 67

Second Grade – 65

Third Grade – 55

Fourth Grade – 41

Fifth Grade – 59

TOTAL: 388

Progress reports were sent home May 5th. School newsletters were sent home on May 13th.

OES recently honored our school nurse, Karen Huffman, on National Association of School Nurse's Day. "Nurse Karen" spends a significant amount of time on our campus. She trains faculty members on a variety of health related topics as well as distributing medicines and consulting with parents regarding our students' well-being. She is vital to the day-to-day functions of educating and caring for our children.

Recently San Angelo's KLST sports newscasters challenged our Fourth graders to a game of Dodge-Bee. They also challenged one of our 5th graders to a cup-stacking event. Ozona students were victorious in both events. Not only was this a fun activity, it also met with CATCH grant requirements as well as career awareness in the field of media and broad-cast journalism.

On May 10th, the fourth graders went on a guided tour of the Alamo. This trip was a culmination activity based on 4th grade TEKS and state history. Their teachers reported that our students represented Ozona well.

The last installment of our participation with the Literature through Music Program featured the book, The Best Mariachi in the World by J.D. Smith. Candice Wells, a retired school administrator and music teacher, is an active member of the San Angelo Symphony Guild.
