

**Questions Submitted by Trustee Mrs. Osteguin
October 18, 2018 Regular Called Board Meeting
Consent Item #10**

Question: How may days or hours can be missed per semester to still receive 98% attendance?

Answer: The attendance count is done by full and half days. An employee is allowed to miss 2 days per semester.

Question: Does this include tardies or leaving early?

Answer: This is for missing a full shift either am or pm. Generally if driver is late we do not have them come in as we would have already sent someone on their bus, to run their route.

Question: What percent of bus drivers meet the 98% of attendance currently?

Answer: We cannot provide this at this time but will try and have for tomorrow's board meeting. This requirement is to assist us in making sure we are not short drivers throughout the year as well as to give incentive to our employees to stay with the district.
