Mr. Youngblood,

I would like this letter to serve as my formal resignation from Waskom Elementary School. I do not feel that Head Start is a good fit for me and the change not beneficial to myself or the students I will be serving. I feel I would be of greater service with older children where I am knowledgeable.

Please know that I have had several positive interviews in the area and feel you will be contacted in reference to one of these in the immediate future. I would appreciate a positive reflection of my classroom management, team building, and teaching abilities so that I may have a chance to continue the career I love.

It has been my pleasure to have served the children and community of Waskom. I have forged lifelong bonds with many. Thank you for this opportunity.

I wish you and WES continued success in the future with all your endeavors.

Sincerely,

Kristi L Hook
