**Student Activities**

1/13 - The dental clinic came to the middle school and completed over 30 cleanings.

1/16 - Midterm grade checks took place. All grades are updated and letters are sent home to students' families. Parents can use this information to communicate with teachers during P/T Conferences.

1/2 - 1/30 - Students completed their Winter STAR Testing in Math and Reading. This is our district-level assessment that is completed three times per year. Information from these tests is used to determine WIN grouping, quick-checks of progress, and Educator Effectiveness goal setting.

January-February - Team of Sarah Glaze, Jolene Severt, SRO Krahenbuhl, and Principal Schmidt are meeting with grade levels to discuss safety topics including: Healthy Relationships, Online Safety & Electronic Use, and Drug Awareness

**Professional Development & Collaboration**

Month of January- Mark Rykal and Hans Schmidt met to plan for transitioning 8th graders to High School. This included discussions about upcoming scheduling meetings, student Q&A panels, and high school teacher introductions at the High School.

12/30 - Administration Team Meeting to discuss Student Information System (SIS) and staffing

1/7 - Chris Crowe, Julie Olson, Cory Martens, Sarah Glaze, Chloe Wanink, Mark Rykal, Jolene Severt, and Hans Schmidt met to further discuss the Stronger Connections Grant. Looking at community of practice items as well as nationally-renowned guest speaker Sam Demma.

1/14 - The Character A-team met to discuss Tier I, II, and III students. In addition, planned upcoming student activity days including Christie Mountain in early February.

2/21 - District-wide 4:30 day with the main topic being online safety and security for staff.
