BACKGROUND INFORMATION:

Our approved drug testing policy is attached for your review. We seek approval to implement student drug testing for the 2015-2016 school year. The company we would like to use is Pinnacle. Their price is \$30.00 per test. We would like to test at least 120 students from MJH and ACJHS (20 from each grade) three times a year. Therefore, a total of 360 tests at \$30.00 is \$10,800.00. We can lower the number of students to test if needed.
