

SOUTH SAN ANTONIO INDEPENDENT SCHOOL DISTRICT

Agenda Item Summary

Meeting Date: October 21, 2020

Purpose: Presentation/Report Recognition Discussion/ Possible Action

Closed/Executive Session Work Session Discussion Only Consent

From: Theresa Servellon, Chief Academic Officer

Item Title: Approve the 2020-2021 District Improvement Plan

Description: District administration teams conducted comprehensive reviews of accountability summaries, federal & state compliance reports, budget and program allotments, technology inventories and security reviews. Findings of the comprehensive needs analysis led to district and campus identification of key actions to address priorities in the District Improvement Plan and Campus Improvement Plan.

Historical Data: District reviews and revises the district and campus improvement plans on an annual basis. The plans are presented to the Board of Trustees for approval at a regular meeting each year.

Recommendation: Approve the 2020-2021 District Improvement Plan

District Goal/Strategy:

Strategy 4 We will build partnerships with businesses and the community to promote parental involvement, support opportunities for student success, and increase student attendance and enrollment.

Funding Budget Code and Amount: N/A

South San Antonio Independent School District

District Improvement Plan

2020-2021

Vision

All students enjoy successful education experiences, empowering them to make decisions while enriching their lives in the future they create.

Core Beliefs

We believe in constructive engagement of the school community for the success of our district.

We believe in a strong support system for the school community to achieve excellence.

We believe that innovative and challenging experiences for all students produce successful learners.

We believe that trusting relationships among the school community are essential to student success.

We believe that an inclusive school culture promotes positive student development and voice.

We believe strong and effective student and adult leadership is essential to build a culture of high expectations.

Comprehensive Needs Assessment Data Documentation	21
Goals	23
Goal 1: SSAISD will increase academic achievement for all students and thus closing the gap between student populations in pursuit of advanced performance.	23
Goal 2: SSAISD will recruit, develop, support, and retain effective teachers, principals, and other instructional staff.	29
Goal 3: SSAISD will implement program initiatives and activities that reflect a commitment to preparing 100% of students for post-secondary educational or career paths.	33
Goal 4: SSAISD will ensure all students are provided a learning environment centered on their well-being that impacts their learning and success.	37
Goal 5: SSAISD will collaborate with parents and community to ensure all students receive a gold standard education.	41
Goal 6: SSAISD will provide supplemental support and resources to low performing campuses.	43
District Funding Summary	46

Comprehensive Needs Assessment

Demographics

Demographics Summary

South San Antonio Independent School District (SSAISD) is located in the southwest quadrant of the city of San Antonio, Texas. The demographics in our community have changed drastically over the past 30 years. Whereas, our population was once a socioeconomic mixture of white and blue collar middle class and lower middle class families, with a blend of White, Hispanic and Black families. We now serve families that are predominantly a mix of socioeconomically low and lower middle class Hispanic families with many single parent households or grandparents raising their grandchildren. Many of neighborhoods have older and dilapidated homes. Many of our schools are over 25 years old.

District enrollment has declined approximately by 1,200 students in over the past 5 years.

According to Texas Academic Performance Report 2018-2019, SSAISD ethnic distribution is as follows: 97.0% Hispanic, 1.4% White, 1.2% African American, 0.1% American Indian, and 0.1 Asian. Fifteen campuses in our district receive Title I funding, since our students are 90.9% Economically Disadvantaged. During the 2020-2021 school year West High school has reopened its doors.

Furthermore, 17.5% are English Language Learners (ELL), and 69.9% are At Risk. The 2018 Annual Dropout Rate for our high school (grades 9-12) is 2.8%. The district has a total enrollment of ~8,250 students. Our mobility rate is about 20%

Also according to the Texas Academic Performance Report 2018-2019, SSAISD has class averages of: K-20.3, 1st-19.4, 2nd-19.5, 3rd-19.8, 4th-18.9, 5th-19.8, and 6th-17.2. Our secondary campuses have the following class sizes per subject: ELA-20.5 Mathematics-21.1, Science-21.1, and History-20.5.

The district is comprised of 1 early college high school, 1 traditional high school, 4 middle schools, and 10 elementary schools. In 2019-2020, the district employed approximately 529.9 teachers, 134.4 professional support staff, 33.4 campus administrators, 16.6 central office administrators, 103.8 educational aides, and 326.3 auxiliary staff for a total of 1,144.3 employees. The teacher turnover rate is 14.7%.

The district has had many mental health outcries from students, parents and community partners. The data has shown for an increase in support for students in this area. The need to partner with outside agencies and to increase access to wrap-around services and provide social emotional support throughout the community is vital.

With a rise in social emotional outcries and mental health concerns community outcries and various data points have shown an increase in students with emotional trauma.

The district has many low-income families who struggle to meet school readiness goals. Students are entering the SSAISD preschool program knowing fewer upper-case letters and possessing a significantly limited expressive vocabulary.

It is projected that Americans with diabetes will double or triple by 2050, if current life style trends continue, as stated by the City of SA Metropolitan Health District. These Individuals are at higher risk for serious health complications such as obesity, kidney failure, stroke, blindness, loss of toes, feet or legs, and heart disease. South San Independent District is taking the initiative in providing an environment to assist students at high-risk for diabetes to delay or avoid developing type 2 diabetes by losing weight through regular physical activity and a diet low in fat and calories.

Demographics Strengths

The district, although a district of innovation, has maintained small classroom sizes.

The drop-out rate has decreased by almost 2%.

The Care Zone has been established to meet the social-emotional needs of our students.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Students enrollment has declined the last several years. **Root Cause:** The lack of schools of K-12 choice for students.

Student Achievement

Student Achievement Summary

Results for all students in grades 4 and 7 who tested in writing for spring 2019 are as follows:

SUBJECT	GRADE	Approaches	Meets	Masters
		Grade Level (or higher)	Grade Level (or higher)	Grade Level
Writing	4	67%	35%	11%
	District	48%	21%	5%
	7	67%	41%	14%
	District	52%	22%	3%

SSAISD writing scores receiving Meets standard dropped from 39% to 35% and are below State averages.

Results for all students in grades 5 and 8 who tested in science for spring 2018 are as follows:

SUBJECT	GRADE	Approaches	Meets	Masters
		Grade Level (or higher)	Grade Level (or higher)	Grade Level
Science	5	75%	49%	24%
	District	56%	23%	7%
	8	81%	51%	25%
	District	71%	30%	10%

Results all students tested during the primary administrations in mathematics for spring 2019 are as follows:

SUBJECT	GRADE	Approaches	Meets	Masters
		Grade Level (or higher)	Grade Level (or higher)	Grade Level
State	3	79%	49%	25%
District	3	63%	30%	10%
State	4	75%	48%	28%
District	4	59%	31%	16%
State	5	90%	58%	36%
District	5	82%	37%	18%
State	6	81%	47%	21%
District	6	62%	24%	6%
State	7	75%	58%	17%
District	7	61%	22%	6%
State	8	88%	57%	15%
District	8	82%	37%	0.36%

Although math scores went up in general for all three scoring standards, they still are behind State averages.

Results all students tested during the primary administrations in reading for spring 2019 are as follows:

SUBJECT	GRADE	Approaches	Meets	Masters	
		Grade Level (or higher)	Grade Level (or higher)	Grade Level	
State		3	76%	45%	27%
District		3	59%	27%	14%
State		4	75%	44%	22%
District		4	57%	25%	10%
State		5	86%	51%	25%
District		5	75%	54%	29%
State	Reading	6	68%	37%	18%
District		6	49%	22%	9%
State		7	76%	49%	29%
District		7	55%	28%	14%
State		8	86%	55%	28%
District		8	80%	38%	17%

Reading will continue to be a focus through the district's balance literacy initiative.

Results for all students tested in spring 2018 are as follows:

Course	Approaches	Meets	Masters	
	Grade Level (or higher)	Grade Level (or higher)	Grade Level	
State	Algebra I	85%	61%	37%
District		80%	50%	25%
State	Biology	88%	62%	25%
District		86%	48%	12%
State	English I	68%	50%	11%
District		61%	37%	4%
State	English II	68%	49%	8%
District		59%	38%	3%

Course	Approaches	Meets	Masters
	Grade Level (or higher)	Grade Level (or higher)	Grade Level
State	93%	73%	45%
District U.S. History	91%	64%	28%

Many of our Meets and Masters %s went up from the previous school year, but are still below State averages.

Headstart: Based on the LAP-3 data, the Cognitive, Language and Social Domains will be the focus. In most cases, low-income students are coming into the preschool program fully one standard deviation below average.

Student Achievement Strengths

5th Math STAAR: 82% at the approaches level and 18% at the masters level.

Algebra EOC: 80% approaches level and 25% Masters level.

Biology EOC: 86% approaches level

U.S History EOC: 91% approaches level and 28% Masters Level.

Problem Statements Identifying Student Achievement Needs

Problem Statement 1 (Prioritized): The percentage of students at meets on STAAR/EOC in Math is 18% below State average. **Root Cause:** Concrete instructional model not present leading to the lack of the development of conceptual understanding of math operations.

Problem Statement 2 (Prioritized): The percentage of students at meets on STAAR/EOC in Reading is 16% below State average. **Root Cause:** Additional support is required in dissecting ELAR standards to understand student expectations and reading proficiencies in a Balanced Literacy Framework.

Problem Statement 3 (Prioritized): The number of students that attend college/university, join the military or qualify for an industry certification is below the State average. **Root Cause:** Course sequences for College and Career Pathways need to be further established for coherence and rigorous content.

Problem Statement 4 (Prioritized): The percentage of student receiving Advanced scores on STAAR/EOC testing is low. **Root Cause:** Scope and sequence of TEKS is not

implemented throughout the district.

District Culture and Climate

District Culture and Climate Summary

SWISS data from PBIS team records Bullying and behavior incidents throughout the year. Bullying is a current issue at our campuses, which includes classrooms, hallways, cafeteria, gym, social media, and school buses.

In the spring of 2018, the District conducted a comprehensive strategic redesign process to re-evaluate strategies, core beliefs and the Learner Profile. Students, parents, teachers, community members, business leaders and district & campus administrators provided considerable input on the trajectory of the District through focus groups, an education summit and Strategic Design Planning sessions.

As a result of this process, revisions were made to strategies, core beliefs, the Learner Profile and minor revisions were made to the Call to Action. In addition, the Strategic Design Team drafted a School Performance Framework which allowed Leadership Teams to define excellence and determine progress measures that will move all SSAISD schools to excellence.

OSS Students w/OSS Bomb threat/False Alarm Bullying Fighting Property Damage/Vandalism Use/Possession of Combustion Use/Possession of Alcohol Use/Possession of Drugs Use/Possession of Tobacco Use/Possession of Weapons Arson

District Culture and Climate Strengths

All campuses participate will participate in Sanford harmony initiatives while implementing evidence-based practices within our schools and classrooms to support positive academic and behavior outcomes for all students. Counselor were trained in Restorative Practice.

Problem Statements Identifying District Culture and Climate Needs

Problem Statement 1 (Prioritized): Student leadership opportunities at the campus and district levels have been limited. **Root Cause:** Missed opportunities to provide students with a strong leadership program.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

Per 2018-2019 Texas Academic Performance Report:

Teachers (529.9), Professional support (134.4), Campus Leadership (33.4), Central Administration (16.6), Educational Aides (103.8) and Auxiliary staff (326.3). Total staff is 1,144.3. Total minority staff is 976.6

Teacher by ethnicity: AA(12.9) Hispanic(399.3), White(110.5), AI(0), Asian (1), Two more Races (6.2), Males (165.7) and Females (364.2)

Teachers by experience: Beginning (17-3.3%), 1-5 years experience (159-30%), 6-10 years experience (102-19%), 11-20 years experience (173-33%), Over 20 years experience (79-15%)

Experience of Campus Leadership: Principals_5.5 years and AP_4.8

Turnover Rate for Teachers: 14.7%

Professional Development for teacher quality is done in house with our Instructional coaches or facilitators, virtually, and with consultants to improve academic interventions or instructional practices.

Headstart/PK utilizes their data effectively to differentiate lessons and improve instruction. Headstart/PK program has recognized the importance of data and how it allows program to create focused professional development.

Staff Quality, Recruitment, and Retention Strengths

The addition of instructional coaches to support classroom teachers has helped with retaining our teachers and improving the quality instruction.

The district added another elementary math instructional coach to increase teacher efficacy.

Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs

Problem Statement 1: Teacher mobility rate for the district is 14.7%. **Root Cause:** Teacher retention plan that includes professional development and compensation has not been prioritized.

Problem Statement 2 (Prioritized): Aspiring leader pool is limited. **Root Cause:** Absence of a clear outlined professional development program for aspiring leaders.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

South San Antonio ISD is committed to delivering high quality instruction. District and campus leaders have focused on three key instructional actions to improve achievement: data disaggregation, lesson planning, and multiple response strategies. Campus administrators conduct walkthroughs to monitor the instructional frameworks and then, conduct feedback sessions to focus on best practices for immediate implementation. Another layer of support includes the Instructional Coaches who provide teachers professional development in data disaggregation, lesson planning , as well student support in the classroom.

Curriculum and instruction decisions are campus-based as determined by the Campus Improvement Leadership Team (CILT)

Director of Teaching and Learning, Director of Strategic Planning and Innovation, collaborates with campus leadership and instructional facilitators and coaches to determine needs of campuses and design professional learning and support solutions.

Instructional coaches focus on teacher growth and support. They also provide coaching and support for all professional learning initiatives.

Instructional facilitators design professional learning to meet the needs of campuses and provide follow-up support to ensure implementation.

Head Start/PK focus on the Texas PreK guidelines, which aligns with the five early learning essential domains: 1) Approaches to learning 2) Social & Emotional Development 3) Language and Literacy 4) Cognition: Mathematics Development and Scientific Reasoning and 5) Perceptual, Motor, and Physical Development. SSAISD Head Start/PK firmly believes in a teaching approach that respects both the age and the individual needs of each child.

Curriculum, Instruction, and Assessment Strengths

Lesson plan framework is complete and has been implemented since the 2017-2018 school year.

The Division of Academics has rolled out a comprehensive data protocol to enhance data driven practices across the district.

Instructional coaches have been active in providing professional development, supporting, and building capacity in teachers. More instructional coaches were added to support instruction.

Problem Statements Identifying Curriculum, Instruction, and Assessment Needs

Problem Statement 1 (Prioritized): Reading scores indicate a significant number of students not reading on grade level. **Root Cause:** Lack of focus on an aligned K-12 literacy program.

Problem Statement 2 (Prioritized): The delivery of high quality, differentiated instruction is inadequate. **Root Cause:** Professional development in research based best practices, differentiation, delivery and lesson planning is minimal.

Parent and Community Engagement

Parent and Community Engagement Summary

South San Antonio ISD is committed to expanding the involvement of parents and the community in our students' education.

The District continues to build relationships with parents and families based on open dialogue and meaningful involvement through activities such as:

- booster clubs
- parent organizations
- Title I parent involvement meetings
- campus and district advisory committees
- open houses and back-to-school nights
- family reading/math/science nights
- (Cafecitos) Coffee with Principals
- Health fairs
- parent-teacher conferences
- parent surveys,

The community also plays an important role in the education of SSAISD students. Through programs like Coca Cola Valued Youth, Communities in School, Family Services Association, SA Youth, After School Challenge, SA Youth, Boy Scouts of America, COFSA, Jr. Achievement, in community service projects, internships, and career fairs, partnerships with colleges and universities, and community forums, the District places a high priority on purposeful exchanges between the community and our schools.

Our district has made a commitment to collaborate with the City of San Antonio Municipal Court System for truancy prevention. Through attendance Forums, parents have become more active in solving challenges and obtaining services to promote attendance. Parents and children can sign a contract with the court, which allows them to avoid a truancy charge if they abide by its terms — usually, to avoid more absences. Behavior contracts, as well as the implementation of county-wide uniform truancy policies and counseling or other assistance are offered before a student gets to court.

The Head Start/PK program is making steady progress towards increasing its parent participation across all ten campuses. All sites were able to implement either parenting classes or nutrition classes. Also, Head Start/PK will continue to promote GED classes to our parents.

Parent and Community Engagement Strengths

Principals and counselors are having meetings with parents regularly.

District is making a conscience effort to have parents more involved in their child's education.

The district has two parent centers that provide ESL and GED programs.

All written communication is provided in both English and Spanish.

Problem Statements Identifying Parent and Community Engagement Needs

Problem Statement 1 (Prioritized): Low parent participation. **Root Cause:** Lack of multiple opportunities to attend parent sessions.

District Context and Organization

District Context and Organization Summary

The District has embraced the Effective School Framework to align campuses with coherent structures of best practices. We believe that it is essential that the District consistently and cohesively implements structures based on effective instruction, a high quality curriculum and a positive school culture.

The District has identified the following (3) priorities necessary to increase student outcomes:

Lever 1 Strong School Leadership and Planning

Lever 2 Effective, Well- Supported Teachers

Lever 5.3 Data Driven Instruction

The District is also shifting focus on the importance of high quality early childhood instruction. We are committed to developing early literacy and numeracy in our youngest learners. We are also aligning collective efforts to increase enrollment in our Pre-K and Head Start Programs. The total estimate of age eligible children in the 3 through 5 age group is 1,335. This shows an increase of .5% of age-and-income eligible children in the South San ISD catchment area from 1,328 in 2018.

District Context and Organization Strengths

District and campus goals are aligned in Early Literacy and Lesson Planning.

Problem Statements Identifying District Context and Organization Needs

Problem Statement 1 (Prioritized): Outlined procedures and systems are not implemented uniformly. **Root Cause:** The lack of systemic implementation is attributed to the absence of monitoring, and evaluation of procedures/processes.

Technology

Technology Summary

The South San Antonio ISD works towards ensuring that all students achieve academic success and become lifelong learners and digital citizens in the process. Through local, state, federal and E-Rate funding equipment is purchased to assist with the improvement of staff and student performance. Teachers use these resources to deliver instruction and to gather, analyze, and utilize data for effective decision-making and strategic planning. District expectations regarding technology are located in the District Technology Plan that is aligned to the District Improvement Plan. This plan is in place to provide guidance on meeting local, state, and national technology standards including 21st century skills.

Due to the COVID-19 epidemic, teachers have been delivering instruction remotely. The district purchased additional chromebooks, and hotspots to facilitate the instructional delivery plan to all students. Currently, issues with bandwidth are being evaluated as the demands for online learning on campus and remotely continue to be an integral part of our students' academic life.

Remote learning has impacted student TEKS mastery.

Technology Strengths

- The use of chromebooks in the classroom to differentiate lessons are a common practice.
- Data network is served with a wide area network (WAN) that is constructed primarily with AT&T Gigamon services and supplemented by local private fiber that provides high speed Internet connection of 500 Mbps that is shared by all of our educational sites.
- Internet connection is secured through our CISCO firewall and Lightspeed Systems Web Filter; a Child Internet Protection Act (CIPA) compliant content filter for all district workstations.
- All employees and students are provided with an Active Directory account for access that allows access to data storage and shared folders on servers on the district network.
- Data Center virtual servers through VMWare virtual environment
- Administrative use of technology for department and campus organization and communication to all stakeholders; staff, parents, students and community
- Emphasis on student use and integration of technology in classrooms
- All facilities have wireless access capabilities

Problem Statements Identifying Technology Needs

Problem Statement 1 (Prioritized): Integration and usage of technology into classroom instruction needs to be strengthened. **Root Cause:** Providing professional development for teachers in technology is limited.

Problem Statement 2 (Prioritized): Internet accessibility is inconsistent. **Root Cause:** Evaluation of bandwidth capacity has not been conducted.

Priority Problem Statements

Problem Statement 1: Students enrollment has declined the last several years.

Root Cause 1: The lack of schools of K-12 choice for students.

Problem Statement 1 Areas: Demographics

Problem Statement 2: The percentage of students at meets on STAAR/EOC in Reading is 16% below State average.

Root Cause 2: Additional support is required in dissecting ELAR standards to understand student expectations and reading proficiencies in a Balanced Literacy Framework.

Problem Statement 2 Areas: Student Achievement

Problem Statement 3: The percentage of students at meets on STAAR/EOC in Math is 18% below State average.

Root Cause 3: Concrete instructional model not present leading to the lack of the development of conceptual understanding of math operations.

Problem Statement 3 Areas: Student Achievement

Problem Statement 4: The number of students that attend college/university, join the military or qualify for an industry certification is below the State average.

Root Cause 4: Course sequences for College and Career Pathways need to be further established for coherence and rigorous content.

Problem Statement 4 Areas: Student Achievement

Problem Statement 5: Reading scores indicate a significant number of students not reading on grade level.

Root Cause 5: Lack of focus on an aligned K-12 literacy program.

Problem Statement 5 Areas: Curriculum, Instruction, and Assessment

Problem Statement 6: The percentage of student receiving Advanced scores on STAAR/EOC testing is low.

Root Cause 6: Scope and sequence of TEKS is not implemented throughout the district.

Problem Statement 6 Areas: Student Achievement

Problem Statement 7: The delivery of high quality, differentiated instruction is inadequate.

Root Cause 7: Professional development in research based best practices, differentiation, delivery and lesson planning is minimal.

Problem Statement 7 Areas: Curriculum, Instruction, and Assessment

Problem Statement 8: Aspiring leader pool is limited.

Root Cause 8: Absence of a clear outlined professional development program for aspiring leaders.

Problem Statement 8 Areas: Staff Quality, Recruitment, and Retention

Problem Statement 9: Outlined procedures and systems are not implemented uniformly.

Root Cause 9: The lack of systemic implementation is attributed to the absence of monitoring, and evaluation of procedures/processes.

Problem Statement 9 Areas: District Context and Organization

Problem Statement 10: Student leadership opportunities at the campus and district levels have been limited.

Root Cause 10: Missed opportunities to provide students with a strong leadership program.

Problem Statement 10 Areas: District Culture and Climate

Problem Statement 11: Low parent participation.

Root Cause 11: Lack of multiple opportunities to attend parent sessions.

Problem Statement 11 Areas: Parent and Community Engagement

Problem Statement 12: Integration and usage of technology into classroom instruction needs to be strengthened.

Root Cause 12: Providing professional development for teachers in technology is limited.

Problem Statement 12 Areas: Technology

Problem Statement 13: Internet accessibility is inconsistent.

Root Cause 13: Evaluation of bandwidth compacity has not been conducted.

Problem Statement 13 Areas: Technology

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Current and/or prior year(s) campus and/or district improvement plans
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Domain 1 - Student Achievement
- Domain 2 - Student Progress
- Domain 3 - Closing the Gaps
- Effective Schools Framework data
- Targeted support Identification data

Student Data: Assessments

- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR Released Test Questions
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Postsecondary college, career or military-ready graduates including enlisting in U. S. armed services, earning an industry based certification, earning an associate degree, graduating with completed IEP and workforce readiness
- Texas Success Initiative (TSI) data for postsecondary/college-ready graduates data
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- SAT and/or ACT assessment data
- Student Success Initiative (SSI) data for Grades 5 and 8
- Student failure and/or retention rates
- Student failure and/or retention rates
- Prekindergarten Self-Assessment Tool

Student Data: Student Groups

- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Economically Disadvantaged / Non-economically disadvantaged performance, progress, and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- STEM/STEAM data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data

- Attendance data
- Class size averages by grade and subject
- School safety data

Goals

Revised/Approved: October 16, 2020

Goal 1: SSAISD will increase academic achievement for all students and thus closing the gap between student populations in pursuit of advanced performance.

Performance Objective 1: By June 2021, 80% of all students, with a concentrated effort on all special populations, will meet established standards on the state assessments.

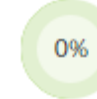

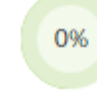

Targeted or ESF High Priority

HB3 Goal

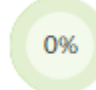

Evaluation Data Sources: Formative Assessments, Universal Screeners, Benchmarks, TAPR

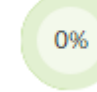

Summative Evaluation: None

<p>Strategy 1: Implement a 1 -1 Initiative at high school level to increase student outcomes and proficiency in computer applications.</p> <p>Strategy's Expected Result/Impact: Increased student outcomes and proficiency in computer applications.</p> <p>Staff Responsible for Monitoring: Technology Department Campus administration HS Instructional Technology Coach Instructional Technology Coordinator</p> <p>Title I Schoolwide Elements: 2.4, 2.5</p> <p>Problem Statements: Technology 1</p> <p>Funding Sources: Chromebooks - 199 PIC 30 State Comp</p>	Reviews

No Progress Accomplished Continue/Modify Discontinue				

Performance Objective 1 Problem Statements:

Demographics
Problem Statement 1: Students enrollment has declined the last several years. Root Cause: The lack of schools of K-12 choice for students.
Student Achievement
Problem Statement 1: The percentage of students at meets on STAAR/EOC in Math is 18% below State average. Root Cause: Concrete instructional model not present leading to the lack of the development of conceptual understanding of math operations.
Problem Statement 2: The percentage of students at meets on STAAR/EOC in Reading is 16% below State average. Root Cause: Additional support is required in dissecting ELAR standards to understand student expectations and reading proficiencies in a Balanced Literacy Framework.
Problem Statement 3: The number of students that attend college/university, join the military or qualify for an industry certification is below the State average. Root Cause: Course sequences for College and Career Pathways need to be further established for coherence and rigorous content.
Problem Statement 4: The percentage of student receiving Advanced scores on STAAR/EOC testing is low. Root Cause: Scope and sequence of TEKS is not implemented

throughout the district.

Curriculum, Instruction, and Assessment

Problem Statement 1: Reading scores indicate a significant number of students not reading on grade level. **Root Cause:** Lack of focus on an aligned K-12 literacy program.

Problem Statement 2: The delivery of high quality, differentiated instruction is inadequate. **Root Cause:** Professional development in research based best practices, differentiation, delivery and lesson planning is minimal.

Technology

Problem Statement 1: Integration and usage of technology into classroom instruction needs to be strengthened. **Root Cause:** Providing professional development for teachers in technology is limited.

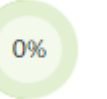

Goal 2: SSAISD will recruit, develop, support, and retain effective teachers, principals, and other instructional staff.

Performance Objective 1: Quality professional development during the 2020-2021 school year will be provided to 100% of instructional staff thus ensuring student success.

HB3 Goal

Performance Objective 1 Problem Statements:

Demographics
Problem Statement 1: Students enrollment has declined the last several years. Root Cause: The lack of schools of K-12 choice for students.
Student Achievement
Problem Statement 1: The percentage of students at meets on STAAR/EOC in Math is 18% below State average. Root Cause: Concrete instructional model not present leading to the lack of the development of conceptual understanding of math operations.
Problem Statement 2: The percentage of students at meets on STAAR/EOC in Reading is 16% below State average. Root Cause: Additional support is required in dissecting ELAR standards to understand student expectations and reading proficiencies in a Balanced Literacy Framework.
Problem Statement 3: The number of students that attend college/university, join the military or qualify for an industry certification is below the State average. Root Cause: Course sequences for College and Career Pathways need to be further established for coherence and rigorous content.
Problem Statement 4: The percentage of student receiving Advanced scores on STAAR/EOC testing is low. Root Cause: Scope and sequence of TEKS is not implemented throughout the district.

Goal 4: SSAISD will ensure all students are provided a learning environment centered on their well-being that impacts their learning and success.

Performance Objective 1: Increase community partners by 5% to provide services(mental health, leadership opportunities, etc.) for our at-risk students to succeed in school.

Evaluation Data Sources: CARE Zone Activity Log

Summative Evaluation: None

<p>Strategy 1: Through a school-based coordinator, bring community resources into our schools to empower success for all students by removing barriers for vulnerable students at risk of dropping out, keeping kids in schools and on the path to graduation and leveraging evidence, relationships and local resources to drive results.
