Memorandum Item 10d

TO: CCSD School Board Members
FROM: Jackie Hanson, Superintendent
DATE: March 20, 2025
SUBJECT: CHS New Shop/Biomass Project & Alaska Energy Authority Grant Agreement Amendment

Recognizing the financial challenges of the CHS New Shop/Biomass Project, I took the initiative to meet with various entities and individuals to explore additional funding opportunities. As the Board may recall, I previously collaborated with grant partners to secure an additional \$200,000 from the Alaska Energy Authority (AEA), bringing the total grant amount to \$690,233, which was Board approved at our School Board Meeting on January 15, 2025.

I am pleased to share that these efforts have once again yielded positive results. CCSD has been awarded an additional \$300,000 for the project. This brings the total grant funding for the project to \$990,233.

The updated AEA Grant Agreement Amendment is now complete, attached to this memo, and ready for Board approval once again. Go team!

Suggested Motion: Move to approve the Alaska Energy Authority Grant Agreement Amendment as presented for \$990,233.00.
