Dear Joe,

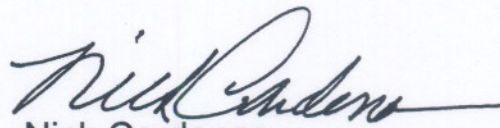

We appreciate your efforts in support of School Board Appreciation Month. The breakfast that your students and teacher provided was very thoughtful. The added touch of allowing your students to present each board member with a certificate is always uplifting for us as it reminds us of our commitment to them. Keep up the good work and please let the students and teachers know how much we want to celebrate their achievements as they reveal increased learner performance.

Thanks for being a part of our team!

Yours for quality education,

  
John Hardwick, Jr., Ed. D.  
Superintendent of Schools
