2024-2025 Annual Report

The annual report provides our community with a clear and transparent overview of the past year, highlighting accomplishments, challenges, and progress toward our goals. It serves as both an accountability tool and a way to celebrate the collective efforts of our students, staff, and community.

The 2024 Annual Report was released publicly on August 12 and is available on our District website for all to view.

New Teacher Kickoff

New Teacher Kickoff is our official welcome for staff who are new to the District. This orientation provides an introduction to our schools, culture, and resources while helping new team members build connections with colleagues. It's a chance to get grounded in our shared mission, learn about key supports, and start the year with confidence and community.
