

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: June 16, 2025

AGENDA ITEM: Consider Approval of Request for Proposal #2505-02 for Delivered Pizza for Child Nutrition Operations

PRESENTER: Earl Husfeld, Chief Financial Officer

BACKGROUND INFORMATION:

- During each school year, the Child Nutrition Department will conduct taste tests on multiple campuses to gauge student's preferences regarding potential items that may be served in our cafeterias.
- As a result of these taste tests, the District issued Request for Proposal (RFP) #2505-02 for Delivered Pizza for Child Nutrition Operations. A significant component of this RFP was the requirement that included products must comply with United States Department of Agriculture and Texas Department of Agriculture nutritional requirements.
- The following steps were undertaken by the District: advertised the RFP on May 9 and May 16; issued the RFP to 33 pizza vendors on May 9; opened all RFPs received on May 23; recommendation presented to Board of Trustees for consideration/approval on June 16; subject to approval, anticipated contract effective date of August 1.
- After review, analysis, and scoring of the one (1) response received, the recommendation is to accept the proposal received from Lonestar Pizza, LLC, dba Domino's. As a point of interest, Domino's was the pizza of choice during a "blind" student taste test.
- Subject to Board of Trustee approval, the original contract period will be August 1, 2025 through May 31, 2026. The RFP also provides for the option of renewing the contract for one (1) additional year through May 31, 2027.

FISCAL INFORMATION:

The cost of purchases made pursuant to this RFP will be paid from available funds in Child Nutrition Fund 240. The RFP included a price per delivered pizza. The ultimate cost paid will be determined by the quantity of product actually purchased.
