

**RFP 22-011-2 Instructional Materials, Supplies, & Equipment**

Request for Proposals for Instructional Materials, Supplies, & Equipment was advertised in the Boerne Star and on the Boerne ISD website. This RFP was advertised as a multi-awarded contract starting on January 1, 2025, until December 31, 2025, with an option to extend for three additional one-year terms with the same terms and conditions if mutually agreed upon by district and vendor. Each proposal received was complete with vendors offering various levels of discounts for their products and services. The recommendation is to award all vendors in order to secure the best value for the district. This will provide negotiable pricing options for all campuses/departments and will supply Boerne ISD a multi-award vendor list. In addition to the following multi-award district vendors, the district may also seek pricing from Vendors on approved inter-local co-op lists, with the goal of obtaining the best value for the district.
