Proposed Agenda Item Board of Trustees Meeting

Complete this form and submit it to the Office of the President by noon on Monday of the week before the Tuesday evening meeting of the Board of Trustees. If this form does not provide enough space, you may use an expanded version *as long as you follow the format specified below.*

Date of Board Meeting: February 18, 2020 Date of This Proposal: February 6, 2020

SUBJECT:

Accept the proposal from Patterson Dental of \$53,340.00 for Dental X-ray Sensors to integrate directly with our Eagle Soft dental software.

RECOMMENDATION:

Accept the proposal from Patterson Dental of \$53,340.00 for Dental X-ray Sensors to integrate directly with our Eagle Soft dental software.

BACKGROUND/RATIONALE:

The College has a grant from the Johnson Foundation. The grant allows for the purchase of new dental x-ray sensors. It is critical that these sensors also integrate directly with our existing Eagle Soft dental software. The College advertised and solicited proposals from interested companies. The College received one proposal from Patterson Dental. Patterson Dental has been a long supporter of our Dental Hygiene Program and has a very good track record with the College. Their proposal of \$53,340.00 fit within the budgeted amount allowed by the Johnson Foundation grant.

Estimated Cost & Budgetary Support (how will this be paid for?): \$53,340.00

Johnson Foundation Grant Funds.
