

Transportation/Maintenance Board Report 10/8/18

Softball field's work is on track.

Well driller thinks he can hit water at 130 feet and have about 120 gallons per minute.

The concession building will have to be moved a little to accommodate for the underground power and gas lines.

Special Projects not in the softball complex bid:

Netting (back stop) = \$1,422.40

Netting (batting cage) = \$2,959.92

Fencing = Waiting on Bid

Concession Bldg. = \$150,000.00

Extra Storage Shed = \$20,000.00

Score Boards = \$9,175.00 (see attached quote)

Bleachers = \$20,000.00

Dugout Benches = \$4,000.00

Batting cages = waiting for bids

Landscape trees = Prices vary

The old gym's gutters are leaking and the trash catches need replaced. This is scheduled to be repaired before winter.
