

RESOLUTION – SCHOOL MAINTENANCE (RESUBMISSION)

WHEREAS, the New Berlin Board of Education previously approved submitting the greenhouse resolution for school maintenance matching grant of \$50,000 in December, but ISBE denied the amendment and is requiring the architect to go through the building replacement section of 105 ILCS 5. The Board of Education is now wanting to utilize the SMPG matching funds for the two-way communication (paging, bell, phone, emergency and security) notification single multi-use system at New Berlin Elementary. All previous Health/Life Safety projects have been completed and are in compliance.

WHEREAS, BLDD architects have determined that the two-way communication for announcements between the front office and each classroom is not possible with the existing intercom system and is necessary for school safety and security purposes.

WHEREAS, it is the recommendation of the Superintendent to utilize the health life safety money (already approved by ISBE) and the School Maintenance Matching of \$50,000 to complete the project.

NOW, THEREFORE, BE IT RESOLVED that the Board of Education approve the work the certified estimate from the Architect in the amount of \$216,556 the replacement of the two-way communication system.
