Principal's General Narrative:

It has been a great start to the 2013 -2014 year. We are sitting with an enrollment of 212 and our attendance is at 99% for the first 6 days of the fall semester. Our extra-curricular activities are off and running and volleyball, cross-country and football have already posted wins for the new season and I expect district and post-district success out

of all three of these activities. It is always amazing to me the passion of the entire staff at the High School and their commitment to the success of the students at Brackett ISD.
