Jennifer Hoover Coder Assistant Principal

We are excited to recommend Ms. Jennifer Hoover as our new Assistant Principal at Coder Elementary. Ms. Hoover graduated from Leander High School and attended Texas A&M University where she graduated with a B.S. in Interdisciplinary Studies – Teaching, Learning and Culture. Ms. Hoover went on to receive her Master’s in Education Administration from Lamar University in Beaumont, Texas. She has taught at the elementary level in Castleberry ISD where she was very active as a leadership team member as well as serving on several District committees. Ms. Hoover was twice nominated Teacher of the Year at Castleberry ISD. Before joining Aledo ISD, Ms. Hoover served as the Assistant Principal at the same school she began teaching in Castleberry ISD. We are very excited she will be joining Aledo ISD to support the staff and serve the students of Coder Elementary.
