

Minnesota Rural Educators Association (MREA)

Membership

2025-26

Overview: MREA (Minnesota Rural Educators Association) represents a significant number of rural Minnesota districts, advocating for equal funding for rural communities. Cambridge-Isanti Schools has been a member of MREA for several years and has found it to be a great asset to our school district. MREA gives C-I an expanded opportunity by joining forces with a team that advocates for K-12 funding increases, reducing inequalities in long-term maintenance funding, and meets with legislative leaders to drive educational change.
