

HILLSBORO HIGH SCHOOL

Hillsboro High School Board Report – September 2019

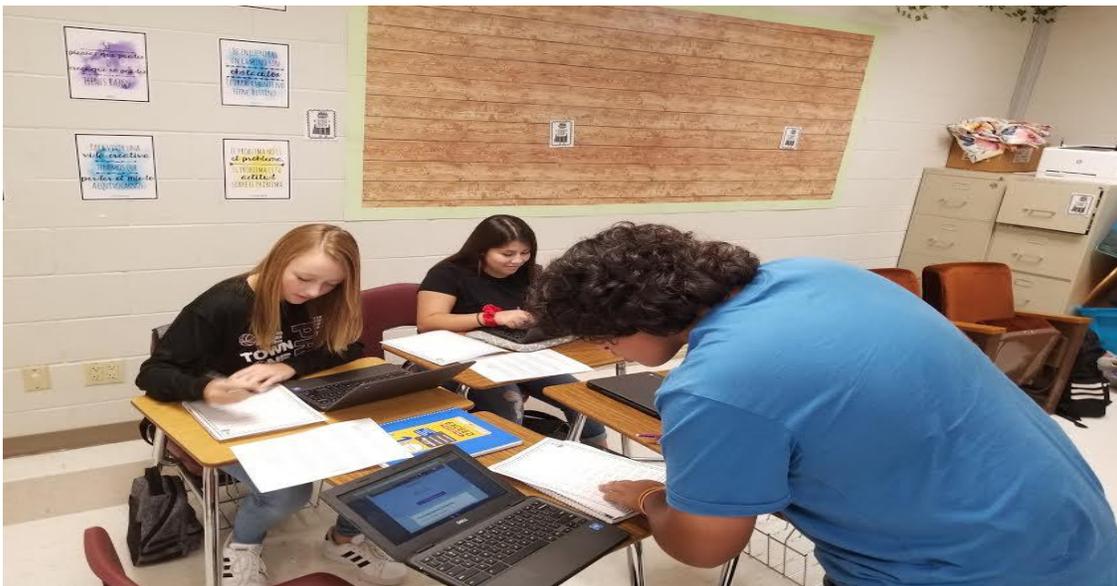

Hillsboro High School

Enrollment: 539

9th Grade – 162, 10th Grade – 132, 11th Grade – 129, 12th Grade – 116

Hillsboro High School Learning Spotlight

Mrs. Orellana's Spanish class was recently participating in a cross curricular lesson. Students were using their chrome-books to scan QR codes to access valuable information related to the lesson. Students had to translate a Math word problem in Spanish and then answer the word problem with the correct Spanish number representation. Instead of just learning their numbers in Spanish, the students had to first translate both language and numbers to Math problems that are similar to what they are learning in their actual Math class.

Hillsboro Athletics

The Hillsboro High School Fall Athletics schedule is in full season. All of our HHS teams are doing a great job.

HHS Cross Country Team - Cross Country has excelled out of the gates this season. We have a combined 51 athletes, Boys and Girls out for CC this year. The Varsity Boys are 2 for 2 on winning meets this year. JV has won a meet at Cow town and placed 2nd last week at Hillsboro Invitational.

The Girls Program has really improved and the Varsity girls are aspiring to make it to Regionals this year. Varsity Girls were 3rd last week at the Hillsboro Invitational. JV Girls continue to work hard and improve at each meet.

JV and Varsity Football – Both teams are 1-0 after defeating West last week. Up next is the home opener versus Grandview. The Hillsboro High School football team will have its annual Homecoming game on Friday, September 20th versus Troy. More information about Homecoming festivities will be shared in an upcoming HHS Friday Focus.

Volleyball – The Varsity Volleyball is off to a strong start. While their current record is 11-7, many of those losses coming against larger 5A schools in tournament play. The Varsity team won the Gold Bracket Consolation Championship @ the Haltom City Tournament. The JV Volleyball team is 10-1 on the season and the Freshman Volleyball team is undefeated on the season at 7-0. Keep up all of the hard work girls.
