Consent Action Discussion

Background:

Sarah Clem is currently serving as the Director of Exceptional Student Services, a position she has held since 2016. She will be retiring effective June 30, 2025.

The director position was posted and eight applications were received for the opening. A screening committee, including one principal, one speech language pathologist, one school psychologist, one facilitator, one director, one Governing Board member, one Assistant Superintendent, and the Superintendent vetted the applications and selected four individuals to interview.

The candidates were interviewed by the committee and candidates were forwarded for a final interview with the Superintendent and Governing Board President. We are pleased to recommend Tiffany Hodge for the position of Exceptional Student Service Director.

Ms. Hodge currently serves as the Director of Student Services in the Tanque Verde Unified School District. Prior to her move into administration, she was a reading recovery teacher, and a kindergarten teacher.

Recommended Motion:

I move that the Governing Board appoint Tiffany Hodge as the Exceptional Student Services Director effective July 1, 2025.
