STAAR Exam Monitor Training – All Jr. High Teachers	March 27 or 28, 2013 in HS Annex
TELPAS Calibration Certification – Miss Bader, Mrs. Brotherton, and Mrs. Kaszynski	March

**Principal's General Narrative:**

Mr. Klockman has successfully completed the requirements by the state to be classified as certified and highly qualified teacher. He has now joined the Jr. High Staff as such. Both Mr. Klockman and Mrs. Kaszynski are working to complete the federal requirements in the time allotted them.

Jr. High STAAR Exams began on Tuesday and Wednesday, April 2-3, 2013. We will be heavily focused on STAAR Exams for the next month or so.

Jr. High Athletic teams are performing and competing well. Coaches have stepped up and handled the absences of two former coaches very well.

The Jr. High Custodians have adjusted to changes made for the benefit of the district. They are doing a good job of keeping buildings looking clean and well kept.

The Cafeteria staff continues to provide good meals and service to the Jr. High students being served. I have had no complaints about the food or meals provided to students and teachers.

Jr. High Teachers, as always, are working diligently to prepare our students for the next grade level, mandated tests, and success in various aspects of their lives. Brackett Jr. High has a great team of dedicated teachers.

The Secondary Office Staff has done a superb job in dealing with all of the changes and adjustments needed thus far in this school year. I would like to commend them for their hard work and support of the things needed for Brackett Jr. High.

I would like to thank each of you as School Board Members and the Central Office Personnel for the support given to Brackett Jr. High.

Respectfully Submitted,  
George T. "Stoney" Burks
