SUBJECT: Integrated Plan Application

The Oregon Department of Education (ODE) requires school districts to complete an integrated plan to be submitted at the end of April 2025. The intent of the plan is a comprehensive investment in education innovation and improvement. This initiative integrates six ODE initiatives:

- High School Success
- Student Investment Account
- Early Indicators and Intervention Systems
- Early Literacy Success
- Career and Technical Education
- Federal School Improvement for Comprehensive/Targeted Supports

ODE also designates Continuous Improvement Planning, Every Day Matters, and Career Connected Learning as programs embedded into the Integrated Planning process.

It is recommended that the Board approve the attached Integrated Plan for ODE which includes the District Strategic Plan and accompanying draft Integrated Plan Budget for 2025-2027.
