Subject: Consider Approval of Curriculum Associates i-Ready Reading and Math Assessment and Intervention Software for Middle School Campuses

Background Information:

- In alignment with the updated Lewisville ISD Long-Range plan, district leaders and content administrators reviewed potential vendors that could provide a platform for middle school reading and math diagnostics, as well as an instructional pathway specifically for Title 1 middle school campuses that could help meet the following:
 - Diagnostic instrument for discerning whether a student’s reading and math skills are at grade level.
 - Provide teachers’ next steps in instruction for students based on diagnostic data.
- This assessment instrument is used to provide high-quality instructional data aligned to the Texas Essential Knowledge and Skills (TEKS), so teachers can respond to student needs quickly as they work to close gaps in achievement.
- Curriculum Associates is a Lewisville ISD Board-awarded vendor on RFP #F1072G-23 Instructional Materials, Teaching Aids, Supplies, Software, Equipment, and Other Related Products and Services.
- If approved, the District would utilize Curriculum Associates i-Ready Reading and Math Diagnostic Assessment for middle school campuses.
- Six middle school campuses will also have access to the instructional personalized pathways for additional student practice and intervention opportunities.
- Instructional materials are selected based on their alignment with the TEKS. The Common Core State Standards are not used in materials selection processes.

Administrative Consideration:

- Funds for these products and services will come from the Instructional Materials and Technology Allotment (IMTA) funds.
- Estimated annual expenditures: \$209,000 but will not exceed the approved budget(s).
- This procurement complies with Lewisville ISD Board Policy, Section 44.031 of the Texas Education Code, and applicable state, local, and federal procurement laws.

Recommendations:

- That the Lewisville ISD Board of Trustees approves the use of Curriculum Associates i-Ready Reading and Math Assessment and Intervention Software for middle school diagnostic purposes and the estimated expenditures for one year.

Timeline/Report:

- Term: July 2026 – July 2027
