Dear

On behalf of the faculty, it is my pleasure to welcome [REDACTED] to the [REDACTED] Grade class for the 2019-2020 school year at Holy Souls Catholic School. Holy Souls has over a 90 year tradition of educating some of the very finest young men and women in our society.

We are eagerly awaiting the opportunity to get to know [REDACTED]. Please see the checklist at the bottom of this page and return marked items as soon as possible. In order to secure your child's registration, you will have to complete an on-line enrollment packet. An email will be sent to you with the enrollment link and instructions on creating your ParentsWeb and FACTS account. The registration fee, school facility fee, and, when applicable, the church building fund fee will be applied once the online enrollment packet is complete.

We are pleased to be a part of your child's education and want to make sure this most important milestone in your child's life is a very positive experience. May God bless you and your family.

Sincerely,

Nancy Handloser

To Whom It May Concern:

My son, [REDACTED] Harpole is a recipient of the Succeed Scholarship and attends Christ Little Rock (f/k/a Christ Lutheran). We are now seeking to transfer his scholarship to Holy Souls Schools because Christ Little Rock has been unable to adequately accommodate his learning disabilities.

Thank you,

[REDACTED]
