Since the beginning of the pandemic, significant supply chain issues have been creating disruption across many industries globally. At Wenger Corporation, our purchasing team is working with our suppliers to mitigate the impact of the disruptions. Unfortunately, we are facing shortages in key areas such as steel, plastic and wood resulting in delays in meeting our customers' orders/timelines. Freight quoted is for a one time shipment. As a result, once orders are placed, delivery dates may change.

We apologize for any inconvenience this may cause. We value your business and thank you for your patience during these unusual circumstances.
