Subject: Seeking your support for John Finnell as TASB Board Region XI Rep.  
To: Kyle Heath <KHeath@c-isd.com>

Dear Colleagues:

As a member of the 2018 Class of Leadership TASB, John Finnell received a valuable education regarding the needs, issues and concerns faced by public school districts across the state. He had face-to-face discussions with school leaders and was involved in real and meaningful conversations with fellow school board members, united in their desire to advocate for public education in Texas.

We are very fortunate, in Cleburne ISD, to have this dedicated Trustee serving on our board of trustees for a second term, and as board president for a second year. We are very proud, as a school district, to advocate for John Finnell in his desire to serve on the TASB Board of Directors, representing Region XI.

John is a strong believer in the powerful, and effective, voice of TASB in Austin in speaking for districts and school boards across the state. He also believes in the vital role TASB provides in keeping districts informed and abreast of legislation—and what may be coming.

I am very excited, and honored, to be advocating for a candidate that can give the commitment of time to this position, along with the passion and courage to advocate for the schools and students of Texas in a time when the value of public education is being questioned and challenged like never before. As a representative of TASB, John is dedicated to establishing working relationships with the people in Austin, and Washington, who are making decisions for our districts. He can advocate on behalf of the schools and students that we are dedicated to serving.

I'm asking you to commit your votes for a candidate who brings an understanding of the role of TASB, the role of the school board, and the concerns we are facing as school leaders. John Finnell's background in Informational Technology, his understanding of 21<sup>st</sup> century education and the importance of

equity in funding for public schools will make him a great representative for you and your district on the TASB Board of Directors.

Sincerely,

--

Dr. Kyle G. Heath  
Superintendent
