Good morning Mr. Bassett,

The City of Melissa has offered to purchase the above referenced struck off property for \$50.00. Because this is a very narrow strip of land, it only has value to the two adjoining land owners. The City of Melissa is the adjoining land owner to the west.

If all taxing units approve the sale, Melissa ISD's Board President will execute the deed documenting the sale.

If the College chooses to approve this sale, please sign and return the attached document to me and I will forward it to Tracy Pounders at the Pounders Law Firm as they are facilitating this sale.

Thank you,
Jennifer
