

BEAVERTON STUDENT ADVISORY COMMITTEE

The Beaverton School Board believes that perspectives from students should provide significant input into district decisions. In the Fall of 2014 the School Board established the Beaverton Student Advisory Committee (BSAC).

This group serves as an advisory committee to the School Board and the Superintendent, providing input and ideas about key issues in the district. Members represent all of the students in the district and their respective schools. They will share their activities planned to date for the 2015 – 2016 school year.

The BSAC meets regularly throughout the school year and will provide updates to the School Board about matters related to the Student Advisory Committee and district students. Future meetings will be:

- November 4, 2015 – 6:30 p.m. at Central Office
- November 18, 2015 – 6:30 p.m. at Central Office
- December 9, 2015 – 6:30 p.m. at Central Office

District Goal: All students will show continuous progress toward their personal learning goals, developed in collaboration with teachers and parents, and will be prepared for post-secondary education and career success.

The Beaverton School District recognizes the diversity and worth of all individuals and groups. It is the policy of the Beaverton School District that there will be no discrimination or harassment of individuals or groups based on race, color, religion, gender, sexual orientation, gender identity, gender expression, national origin, marital status, age, veterans' status, genetic information or disability in any educational programs, activities or employment.
