Football, volleyball, and cross country summer practices started 8-1-2011.

Band summer practices are underway 8-1-2011.

BHS/BJHS students can pick up schedules for the 2011-2012 school year 8-08-2011

Teachers report back the week of August 15 for in-service and teacher work days.

Principal's General Narrative:

Football, volleyball, cross country, and band, each started their summer practices August 1st. Football had 30 students out on the first day. Coach Voyles said after the first morning practice that they were a hardworking group of kids and felt like they got off to a good start. Volleyball had 26 young ladies out and cross country had 8 girls and 6 boys. After watching the football and volleyball team work out and seeing the cross country team coming in from their morning work out it appears that all the coaches and students are prepared to do what it takes to be successful. Mrs. Hunter is looking forward to getting started and believes she will have a very hard working group of kids this year.

We are working hard to get ready for August 22, 2011 and are gearing up for a successful year.

The high school faculty, as always, would like to express our appreciation for the support and leadership from the school board, superintendent, and everyone in the central office. Thanks.
