Re: 2024 Summer Projects (Strickland MS, Alexander ES, Nelson ES & Blanton ES)
Recommendation for Approval of GMP

Dear Brandon:

On Wednesday, November 15, 2023 Joeris received subcontractor bids for all scopes of work based on completed construction documents for the above referenced project. After scoping all trades, Joeris has prepared a guaranteed maximum price for the project in the amount of \$10,163,177.00. Refer to the enclosed attachments prepared by Joeris with their breakdown of the GMP.

We have reviewed the enclosed GMP with representatives of the DISD construction department and Joeris and find it to be in order. We recommend approval of the GMP for the general construction of the 2024 Summer Projects in the amount of \$10,163,177.00.

This GMP includes owner and construction manager allowances that may be used for unforeseen conditions or minor changes in the work. Any unused funds will be returned to Denton ISD at the conclusion of the project by means of a deductive change order to the contract amount.

We trust this recommendation meets with your approval and look forward to the successful completion of this project with Joeris.

Very truly yours,

Erin Bossart
