##### *COVID Transition Survey*

To make arrangements for second semester, the district is sending emails to families who chose online-only learning during first semester.

##### *2021-22 School Year*

During the summer of 2020, the school board approved reopening Jefferson School and reconfiguring grade levels for the current school year. Our original plan was to revert back to the previous configurations, but there is still uncertainty about next year.

Because of the need to register students for classes at the high school, the administrative team would like to discuss planning for next year as soon as possible. Before presenting options and a recommendation to the school board, administrators would like to solicit feedback from staff members.

#### Recommendation
