Definitions

As used within this policy, the terms "disrupt," "disruptive," "disturb," and "disturbances" are defined as activities or actions that cause disorder or turmoil in the College District's, classes, programs and services or that interfere with or interrupt planned activities, or other operations of the College District by noise or movement.

As used within this policy, the term "expressive activities" means any speech or expressive conduct protected by the First Amendment to the United States Constitution or by Section 8, Article I, Texas Constitution, and which includes assemblies, protests, speeches, the distribution of written material, the carrying of signs, and the circulation of petitions. The term does not include commercial speech such as advertisements for products or services.

As used within this policy, the term "amplified sound" means sound whose volume is increased by any electric, electronic, mechanical, or motor-powered means, such as by a megaphone. The use of a single microphone for a guest speaker, shouting, chanting, and playing acoustic musical instruments are exempt from this definition and are not subject to the special rules on amplified sound, but are subject to the general rules on disruption.

As used within this policy, the term "guest speaker" means an individual speaker or performer who is not a student, faculty member, employee, or Board member of the College District.

Limited Public Forum and Public Assembly Use

The buildings, classrooms, libraries, facilities, grounds, and property owned or controlled by the College District are not a traditional public forum open for assembly, debate, demonstrations, or similar activities by members of the general public, subject to some exceptions, and applicable state law concerning common outdoor areas. [See GD(LEGAL)]

For-Profit Use

The College District does not permit individuals or for-profit organizations to use its facilities for their own financial gain, including for marketing, promotional, course instruction, or other profit-generating activities. The College District does not permit private academic instruction, courses, or student recruitment by individuals or by for-profit organizations at its facilities. This does not exclude institutions of higher education or third-party organizations from participating in College District-approved or -sponsored transfer and recruitment fairs.

The College District does permit the rental of College District facilities for third-party corporate or employee training programs and educational testing, as well as for public meetings, performances, and presentations so long as no admission fee is charged, when these activities do not conflict with College District use or with this policy.

Nonprofit Use

The College District may permit 501(c)(3) nonprofit organizations to rent space and host events on College District property when these activities do not conflict with College District use or with this policy.

Private Use

College District facilities are not available for use or for rental to individuals for private gatherings sponsored by private individuals.

Fundraising Use

Only civic, educational, and student organizations and individuals authorized by the College District are allowed to sponsor and engage in fundraising activities using College District facilities. All external requests must be submitted for approval to Conference Services.

Campaign-Related Use

The College District permits open forums and town hall events scheduled through Conference Services or hosted by the College District for elected officials and those who have filed to run for elected office, based on space availability and adherence to the College District's standard room reservation approval process. However, except to the extent a College District facility is used as an official polling place, College District facilities are not available for use by individuals or groups for political advertising, campaign communications, or electioneering, as those terms are used in state law. [See Election/Campaign Signs and Tents, below]

In accordance with the Texas Election Code, the following definitions will apply:

1. "Political Advertising" means a communication supporting or opposing a candidate for nomination or election to a public office or office of a political party, a political party, a public officer, or a measure that:

- a. In return for consideration, is published in a newspaper, magazine, or other periodical or is broadcast by radio or television; or
 - b. Appears:
 - (1) In a pamphlet, circular, flier, billboard or other sign, bumper sticker, or similar form of written communication; or
 - (2) On an internet website.
2. "Campaign communication" means a written or oral communication relating to a campaign for nomination or election to public office or office of a political party or to a campaign on a measure.
3. "Electioneering" includes the posting, using, or distributing political signs or literature:
- a. During the time an early voting polling place is open for the conduct of early voting, a person may not electioneer for or against any candidate, measure, or political party in or within 100 feet of an outside door through which a voter may enter the building or structure in which the early voting polling place is located.
 - b. The entity that owns or controls a public building being used as an early voting polling place may not, at any time during the early voting period, prohibit electioneering on the building's premises outside of the area described in 1.b, above, but may enact reasonable regulations concerning the time, place, and manner of electioneering.

The College District does not permit external individuals or groups to use College District facilities to access students, faculty, or staff for private purposes, including gathering signatures for petitions. Limited public forum areas are designated at each campus for this purpose. [See GD(LEGAL)]

Recreational Use

Approval from the Conference Services Department is required for use of the College District's indoor and outdoor recreational facilities, such as the gym, tennis courts, and the like when the facilities are not in use by the College District or for another scheduled purpose.

Emergency Use

In case of emergencies or disasters, the District President or designee may authorize the use of College District facilities by civil defense, health, or emergency service authorities.

**Expressive Activities
in Common Outdoor
Areas**

Community members may only engage in expressive activities in common outdoor areas (as defined in this policy) of the College District, as long as the conduct is not unlawful and does not materially and substantially disrupt the functioning and operations of the College District. Common outdoor areas are designated by state law as traditional public forums.

To preserve the functions and operations of the College District, expressive activities in common outdoor areas are subject to the time, place, and manner rules listed in this policy.

The “common outdoor areas” of the College District mean: (1) any outdoor space (such as streets, sidewalks, gathering spaces), (2) that is at least 7520 feet from any College District building or area of ingress or egress to buildings, including classrooms, entrance or window and (3) that is not used, on either a permanent or temporary basis, for the College District’s:

1. Business or operations;
2. Sponsored events;
3. Educational functions; or
4. Research functions.

Common outdoor areas do not include the buildings, classrooms, libraries, facilities, student housing or residential outdoor spaces managed by the College District, the outdoor surfaces of college buildings, the surfaces associated with or connected to a college building, a college structure, the spaces dedicated to temporary outdoor banners, the spaces dedicated to temporary outdoor exhibits, or any other space within the College District’s limited public forum.

**Requests for Use of
Facilities**

To request permission to meet in College District facilities or limited public forums, interested community members or organizations will file a written application with the Conference Services Department in accordance with administrative procedures.

The community members or organization making the request will indicate that they have read and understand the policies and rules governing use of College District facilities and that they will abide by those rules. The application will be submitted at least ten business days prior to the proposed use but not more than four months prior to the proposed use for all spaces other than conference centers. Conference centers may be booked no more than 12 months in advance. Requests for exceptions to the timeline may be approved by the Conference Services Department. Use of College

District facilities may not commence until it is approved, in writing, by the Conference Services Department.

Requests for community use of College District facilities will be considered on a first-come, first-served basis. However, requests received on the same day will be prioritized as follows:

1. Classroom instruction and other official College District functions and programs;
2. Requests by recognized student organizations and employee organizations;
3. Activities sponsored by non-College District, nonprofit organizations that are open to the public; and
4. Authorized activities that do not fall within the above categories.

Organizations from within the College District's service area will be given priority over requests from organizations located outside the College District's service area.

Events that directly benefit the citizens of the College District will be given priority over events that specifically target larger groups or groups from outside the College District.

Programs offered through the facilities rental program [see items 3 and 4, above] will be made through a signed facilities use agreement between the College District and the renter. The College District name and its trademarked logo may not be used by the requestor or approved user. The College District's name is only authorized for use in marketing materials as it relates to providing the location and directional information for the event.

The College District reserves the right to modify these priorities without notice as deemed necessary to accomplish its objectives.

Approval

The Conference Services Department will approve or reject the request in accordance with provisions of and deadlines set out in this policy and administrative procedures, without regard to the religious, political, philosophical, ideological, or academic viewpoint, or other content of the speech likely to be associated with use of the facility by community members or organizations. The request will be approved or denied in writing within ten business days of receiving the application.

Approval of requests for the use of facilities will not be based upon the applicant's race, religion, age, disability, color, sex, national origin, veteran status, or other legally protected class.

College District facilities will not be available for long-term use. Long-term use will be defined as use of the facility for more than five days per month or for more than three weekends per month. Facilities use requests will be considered for a time period not to exceed four calendar months, coinciding with the fall, spring, and summer College District semesters.

Failure to comply with the conditions outlined in this policy and the facilities use agreement may result in penalties, including but not limited to, restrictions on future rental of College District facilities and/or an additional damage/cleaning fee as provided for in the facilities use agreement. The amount should be included in the contract and/or in procedures.

Approval will not be granted when the Conference Services Department has reasonable grounds to believe that:

1. The College District facility requested is unavailable, inadequate, or inappropriate to accommodate the proposed use at the time requested;
2. The applicant is subject to a prior sanction [see Violations of Policy, below];
3. The proposed use would constitute an immediate and actual danger to the peace or security of the College District as determined by the College District, including the sole discretion of the District President or designee;
4. The applicant owes a monetary debt to the College District and the debt is considered delinquent;
5. The proposed activity would disrupt or disturb the regular academic program, other planned activities, or other operations of the College District;
6. The proposed use would result in damage to or defacement of property or the applicant has previously damaged College District property at an event;
7. The applicant failed to supply the requested information on the application;
8. The application contains a material misrepresentation of fact as determined at the sole discretion of the College District; or
9. The proposed use is not at a suitable location because the design or dimensions of the event will substantially interfere with pedestrian access, traffic flow, or public safety in or near the same area as the proposed event.

**Written Notice if
Request Rejected**

The Associate Vice President of Financial Services and Reporting or designee will review any recommendations to deny the use of College District facilities to an external group and communicate with the requestor if a request to rent facilities is denied.

**Use of Common
Outdoor Areas by
Community
Members**

A community member does not need a College District permit or reservation for the exercise of expressive activities in common outdoor areas. Expressive activity may occur in those common outdoor areas of the College District that are not in use by others. Community members may engage in expressive activities in common outdoor areas, unless:

1. The person's conduct is unlawful;
2. The use would constitute an immediate and actual danger to the peace or security of the College District that available law enforcement officials could not control with reasonable efforts;
3. The use would materially or substantially disrupt or disturb the regular academic program; or
4. The use would result in damage to or defacement of property.

However, community members may, and are encouraged to, reserve a space to assemble in the common outdoor areas of the College District. Once a person or group reserves a certain space in a common outdoor area for assembly or expressive activities, it is not available for another person's or group's use or reservation at the same time. Therefore, any person or group using or occupying the space without a reservation must yield control of the space in time to permit any user with a reservation to begin using the space promptly at the beginning of the reserved time.

In addition, when outdoor space is being used, even on a temporary basis, for College District business, operations, events, an educational function, or a research function, it is not part of the common outdoor area available for use for others' expressive activities.

Reservations for assembly or expressive activities in the common outdoor areas of the College District may be made through the Conference Services Department on a form prescribed by them or through a request sent to reserveCOA@collin.edu. If the expected attendance at an assembly or expressive activity is 15 or more people, advance notice and a reservation of no less than two weeks is recommended. Persons and organizations are encouraged to seek a reservation of a space that is suited to their assembly's anticipated size.

**Time, Place, and
Manner Rules for
Common Outdoor
Areas**

In addition to the specific rules addressed in this policy for Required Conduct, Distribution of Literature, and Permissible Solicitation, the following rules will also apply to the use of common outdoor areas:

1. Expressive activities may not be disruptive.
2. Expressive activities may not include statements directed to inciting or producing imminent violations of law under circumstances such that the statements are likely to actually and imminently incite or produce violations of law, including but not limited to, violence or threats of violence.
3. Literature may be distributed, but not sold.
4. Any person who uses common outdoor areas or distributes literature or materials in common outdoor areas, is responsible for cleaning up any literature, materials, or other trash that was discarded or leftover.
5. Signs may not be larger than 24" x 24". Signs may be held or carried by hand. However, signs may not be attached to sticks, poles, wooden or metal handles, or other similar assembled items.
6. Signs constructed of rigid materials, including sticks, poles, wood, metal, hard plastic, or other materials that could be construed as a hazard are not permitted.
7. Any person holding or carrying a sign will exercise due care to avoid bumping, hitting, or injuring any other person.
8. Banners on poles may not be carried by individuals.
9. Hand-held banners carried by two or more individuals (without poles) are permitted in temporary banner spaces designated by the College District.
10. Tables may not be set up in common outdoor areas, unless it is requested by a student or student organization in advance through a request submitted to the Conference Services Department. Otherwise, community members may not set up any tables in common outdoor areas of the College District.
11. Amplified sound may not be used in common outdoor areas, particularly when it disrupts College District business, operations, meetings, events, an educational function, or a research function.
12. Guest speakers are allowed in common outdoor areas.

13. Guest speakers may not distribute literature that violates the rules in this policy.
14. Guest speakers may not accost bystanders or others who have chosen not to attend the speech or discussion.
15. Guest speakers may not set up exhibits or tables outside of the common outdoor areas or inside College District buildings or facilities.
16. For any assembly, with or without a guest speaker, that has an expected attendance of 15 or more participants (including counter-demonstrators), advance notice and a reservation are encouraged to help the Conference Services Department improve the safety and success of expressive activity.

If there is uncertainty about applicable rules, the appropriateness of the planned location, or possible conflict with other events, persons, and organizations are encouraged to consult the dean of students. Should the size of the assembly exceed the maximum number of participants that is safe for a given location, participants will be directed by campus authorities to relocate to a space that is better suited to the size of the assembly.

**Written Agreement
Required for Use of
Facilities**

Any community member or organization approved for use of College District facilities not related to the College District will be required to complete a written agreement indicating receipt and understanding of this policy and any applicable administrative regulations prior to a facilities use agreement being approved. This includes an acknowledgment that the College District is not liable for any personal injury or damages to personal property occurring during the use by the community member or organization.

Fees for Use

A community member or organization authorized to use College District facilities will be charged a fee for the use of designated facilities.

The Board delegates to the District President or designee the responsibility to establish and publish a schedule of fees based on the cost of the physical operation of the facilities, as well as any applicable personnel costs for supervision, custodial services, food services, security, media, and technology services. All fees must be paid in advance (or an authorized purchase order) in accordance with the College District's facilities use agreement.

Fees will not be charged when College District buildings are used for public meetings sponsored by state or local governmental agencies.

The Board delegates to the District President or designee the authority to waive the facility use rental fee if the requested use serves an appropriate College District or public purpose.

On-Site Personnel

When a College District facility is being used, an employee of the College District will be on the premises and will be fully in charge of the facility being used.

The College District's representative is responsible for ensuring compliance with the requirements of this policy during the event.

Required Conduct

Community members and organizations using College District facilities will:

1. Conduct business in an orderly manner;
2. Abide by all laws, policies, and procedures, including, but not limited to, those regulating the use, sale, or possession of alcoholic beverages, illegal drugs, tobacco products, and firearms on College District property, and the requirements in the facilities use agreement; [See CHF and GDA]
3. Make no alteration, temporary or permanent, to College District property without prior written consent from the District President or designee; and
4. Be responsible for the cost of repairing any damages incurred during use and will be required to indemnify the College District for the cost of any such repairs.

Additionally, community members and organizations using College District facilities (outside of common outdoor areas) may request table space for students to visit and learn about the table sponsor's activities and may distribute literature, subject to the reasonable time, place, and manner restrictions designated by the College District.

Distribution of literature not published by the College District and activities of the organizations and individuals using College District facilities will be conducted in a manner that:

1. Is not disruptive;
2. Does not impede reasonable access to College District facilities or deny the use of offices or other facilities to students, faculty, staff, or guests of the College District;

9. Does not interfere with the rights of others as determined by the College District; and

Location and placement of assigned tables and chairs will be made at the discretion of the Conference Services Department, based on availability, and the Conference Services Department will ensure that such external events do not interfere with the conduct of any student or College District event.

The consumption of food and beverages will be restricted in accordance with the facilities use agreement.

Groups or organizations using College District facilities will conform to all federal and state statutes, county and municipal ordinances, and fire regulations.

Decorations must be flame retardant and will be erected and taken down in a manner not destructive to College District property or facilities. The use of any material or device that constitutes a hazard to people, equipment, property, and/or facilities is expressly prohibited.

The renter is responsible for clean-up of the space and for clearing the area of discarded or leftover literature.

In addition to the rental fee for use of the facility, the renter will be billed for any cleanup expenses that may result if materials are not removed in a timely manner or if storage of renter-owned materials is required.

Events that include attendance of or participation by minors will require adult supervision by the sponsoring organization.

College District apparatus, furniture, or equipment will not be removed, altered, or displaced without permission from an authorized College District official. Renters are not authorized to bring in their own furniture or fixtures.

The renter is liable for the care and protection of College District property and/or facilities and will be charged for any damages sustained by the premises, furniture, or equipment because of the occupancy.

At the sole discretion of the Conference Services Department, rental agreements for use of any College District facility will be revoked when facilities are misused or when the foregoing rules are violated. Facilities use agreements may not be renewed when revoked for misuse.

The renter is responsible for any and all loss, accidents, neglect, injury, or damage to person, life, property, or facilities that may be the result of, or caused by, the renter's occupancy of the facilities or premises for which the College District might be held liable. The renter will protect and indemnify the College District, the Board, and any officer, agent, or employee of the College District and save them harmless in every way from all suits or actions at law for damage or injury to person, life, property, or facilities that may arise, or be occasioned in any way, because of the occupancy of the facilities or premises, regardless of responsibility or negligence.

The College District may require each renter to provide a valid certificate of insurance in a type and in an amount specified by the College District.

A community member or organization leasing campus facilities and/or distributing materials on campus will provide identification when requested to do so by a College District representative.

Any student who refuses to identify himself or herself fully may be subject to College District discipline, which may include suspension.

Distribution of Literature

Any written or printed materials, handbills, photographs, pictures, films, tapes, giveaways, handouts, or other visual or auditory materials not sponsored by the College District must comply with this policy. Such materials will not be sold, circulated, distributed, or posted on any College District facilities or common outdoor areas by any community member or organization, including a College District-support organization, except in accordance with this policy.

Approved individuals renting or using College District facilities may distribute handouts associated with the event to its members and guests.

The College District is not responsible for, nor does the College District endorse, the contents of any materials or literature distributed by a community member or organization.

[See CHE regarding use of the College District's internal mail system and FLA regarding distribution of literature by students and registered student organizations]

Materials or literature will not be distributed by a community member or organization on College District property if, in the sole discretion of the College District:

1. The materials are obscene;
2. The materials contain defamatory statements;
3. The materials advocate illegal conduct, imminent lawless or disruptive action and are likely to incite or produce such action;
4. The materials are considered prohibited harassment [see DIA series and FFD series];

Time, Place, and Manner Restrictions for Distribution of Literature

A community member or organization that has been approved to rent a campus facility, has signed the required written facilities use agreement, and has paid any required fees may distribute literature to its members and guests during the time period covered by the written agreement and in the location covered in the written agreement.

Permissible Solicitation

As used in this policy, the word "solicitation" will mean the sale or offer for sale of any property or service, whether for immediate or future delivery, and the receipt of or request for any gift or contribution by an entity.

The only solicitation permitted in or on any property or facilities either owned or controlled by the College District will be in accordance with the following:
