RE: Budget Request

---

Per The Family Division's Enhanced Funding Agreement for Intensive Probation, the Child Care Fund, 292, needs to be amended to account for the return of \$150,000 to the Sheriff's Office. This was an oversite when inputting the budget, but not a change to what was presented and approved.

Line item 292-662-801.000 Contractual Services Blended Funding should be increased to \$150,000.

Thank you.  
Janelle Mott, Juvenile Officer
