2. We will seek ways to turn obstacles into opportunities.
3. We will maintain a sense of hope, optimism and humor in working together.

2. We will encourage and remain receptive to divergent views of other members.
3. When conflict occurs, the focus will be on the issue, not the person.
4. We will work to influence one another directly and in supportive ways.
5. Should concerns about another team member arise, the person with the concern will share privately his/her views with the individual.

Collaborative Decision-Making

The team is committed to using a collaborative decision-making process. We will:

1. Ensure that all School Board member voices are valued and equal.
2. Make decisions with equity as a priority.

2. The attached organizational chart shows that the School Board oversees the work of the Superintendent who oversees the work of others.

Article 3: Superintendent Evaluation and Negotiations

Summary of Processes

As coordinated by the Board Chair, the School Board will conduct fall and spring evaluations of the Superintendent. The fall evaluation is based on the evaluation model developed by the Minnesota School Boards Association (MSBA) and Minnesota Association of School Administrators (MASA). The spring evaluation is based on implementation of the Education Plan and other previously identified goals.

Pursuant to M.S. 123B.143, the School Board may negotiate a subsequent contract with the Superintendent during the last year of his/her current contract. Generally, decisions about whether to negotiate a subsequent contract are made following the fall evaluation. This timing gives the Superintendent an opportunity to find other employment and time for the School Board to select the best possible candidate for the position.
