

Bridgman Elementary School

December 2024

On behalf of the BES staff, thank you to our Board of Education for the delicious lunch from Papa Vino's. Your kindness is much appreciated.

- The first grade holiday concert was performed on December 4. Mrs. Lustila and the students entertained with singing, dancing and acting. The Performing Arts Center was filled with families.
- Classroom teachers and Title 1 staff will be conducting the Aims Web English Language Arts and math benchmark testing beginning January 13, 2025. Individual student scores will be analyzed during January data meetings. Teachers and Title 1 staff will look at each student's scores and analyze student growth. They will then decide if each student is in the best WIN intervention or enrichment group.
- Holiday Meals sponsored by Bridgman Cares will be handed out the week of December 16, 2024. There are fifty-five meals being distributed to BPS families. Toys and gifts will also be distributed to over 75 BPS students. Most of the toys are donated by Toys for Tots.
- The third annual Cookies and Caroling will take place on December 16, 2024. Liz Roth will be making cookies for each child to decorate. This year all of the students will go to the gym to decorate their cookie before enjoying them with milk. Caitlyn Lustila will be leading the students in holiday songs. This day is sponsored and organized by the Bee Keepers.
