**HARPOOL MIDDLE SCHOOL**

**Art teacher Teresa Nelson highlighted in Educator Spotlight**

Teresa Nelson, art teacher at Harpool Middle School, is finding different ways to ensure her students learn and understand how their creativity can carry into their academic achievement. This success story is how Mrs. Nelson earned a turn in the Denton ISD Educator Spotlight.

**FINE ARTS**

**Student honored with artwork display at TASA/TASB Conference**

A pair of Denton ISD fifth-grade students had their work displayed in an art exhibit for the Texas Association of School Boards and School Administrators Conference in Austin last month.

Selena Bent-Andrade, from Stephens Elementary, and Rebecca Ambrosio, from Adkins Elementary, each had artwork representing the district at the Texas Art Educators Association Exhibit.

The students' work was inspired by American artist Georgia O'Keefe and was selected among several entries from school districts and private schools across the state. The work was displayed in the exhibit hall at the Austin Convention Center during the TASA/TASB Conference.

Megan Trammell is the art teacher at Stephens Elementary and Kelley McGee is the art teacher at Adkins Elementary.
