ACTION

BACKGROUND INFORMATION:

The Maintenance Department currently has two vehicles that they are not using and for which we do not foresee a future need. The District also has an old stock trailer that we no longer need. In order to properly dispose of the vehicles and the trailer, it is the desire for the District to sell them at a public auction held later this month by Assiter Auctioneers. Information is attached about the two vehicles and the trailer.

PRESENTATION/PURPOSE:

This is a request to have the Board designate two vehicles and a stock trailer as surplus so that they may be sold at auction.

BOARD ACTION REQUESTED

It is recommended that the Board designate the two specified vehicles and the stock trailer as surplus and directs the district to sell them at auction.
