

# AGENDA ITEM

**Subject:** Consider extension for custodial services for Hillsboro ISD.

**Rationale:** In May of 2016, Hillsboro ISD approved DNC for custodial services to replace services previously provided by GCA. The District as a whole is satisfied with their services. The facilities appear more thoroughly cleaned and smell fresher. Communication with Mr. Nors and the principals has increased. When an issue arises, DNC responds in a timely manner.

The initial contract term began service on July 1, 2016 to be for eleven months with an option to renew it for up to four one-year extensions from June 1 to May 31. This would be the first year to exercise the option.

**Recommendation:** Approve the extension of custodial services with DNC for another year effective June 1, 2017 through May 31, 2018.
