#### Student Highlights:

Parent Teacher Conferences were held the week of April 30-May 1<sup>st</sup>. This was a great success. It is always nice to share kids successes with the parents...as well as give them some areas to work on.

Kindergarten Round Up was held on Friday May 8<sup>th</sup>. We hold 2 sessions. We had just under 40 new kindergarteners come and take place in these activities. It is always an amazing situation, to see how these little tiny 4-5 year olds start out. It is always such a fun and exciting day at FCS.

Titan Night in for 4-8th grade was held on May 1st, Tiny Titan Night In was held on May 8th. These are great fundraisers for our school. The students love these adventurous nights.

#### What's New:

Students in grades 3-8 are completing their Math portion of the Smarter Balanced Assessment at this time. They have already finished up the Reading portion. We are excited to see how they have done on this, to know where we need to build skills for next year.
