

High School Board Report 5-14-19

Overview

- 4/16 & 4/17 - ACT Aspire & Forward Testing took place over a two day period.
- 4/18 - Nicolet Competition Day was held and Nicolet College. Students competed in multiple competitions including: welding, automotive, culinary and art. Individuals and teams placed in many competitions. Thank you to Nicolet and the instructors for providing the opportunity.
- 4/22 - NHS Induction took place in the auditorium. Students and parents celebrated the accomplishments of the current members, as well as welcomes new members and officers. Congratulations to all members and thank you to the seniors for your service.
- 4/26 - The Mock Accident presentation was held for juniors and seniors. The presentation began in the auditorium where the dangers of distracted driving and driving under the influence were discussed. Students then proceeded to the high school parking lot where a mock car crash was simulated. Various first responders entered the school grounds in a life-like manner, including a medical helicopter. Passengers were extracted from the vehicles and attended to. Afterwards, different professionals spoke to the student group about their roles in the observed scenario and reinforced the dangers and impacts of distracted driving and being under the influence. Thank you to the long list of professionals that made this event possible. It was a powerful experience.
- 4/27 - Prom 2019 was held at THS. The evening began with Grand March in the auditorium, where roughly 80 students participated. The evening continued with a dance in the THS Cafe. Thank you to the class advisors, student officers and parents who contributed to making this a memorable night for those who attended.
- 4/29 - Band Concert was held in the fieldhouse. The Spring Showcase featured musical arrangements that represented various cultures and travel destinations. Thank you to the THS Band for a great concert season.
- 5/2 - THS Youth Apprenticeship sponsored the annual THS Community Appreciation Breakfast in the Cafe. FCCLA and FBLA members also played roles in organizing and facilitating the event. Tomahawk Extended Area Partners in Education also announced their Educators of the year at the event. Patti Hilgendorf with Kinship was named Community Educator of the Year and Andrew Peissig in the Technology & Engineering Dept. was named Educator of the Year. Congratulations to both recipients. Thank you to all community members and businesses that work with our high school to provide opportunities learning. Your partnerships are greatly appreciated. Also, thank you to THS Youth Apprenticeship, FCCLA and FBLA for making this another great event.
- 5/2 - FCCLA hosted the Community Dinner to raise funds for traveling to Nationals this summer. The meal was prepared and served by FCCLA members. Thank you to the membership for an excellent meal and good luck at the National Competition!
