

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 20, 2023

AGENDA ITEM: Consider Approval of TASB Board Policy Update 120
CKC(LOCAL)– Safety Program/Risk Management: Emergency Plans
FNG(LOCAL)- Student Rights and Responsibilities: Student and Parent Complaint/Grievances
FO(LOCAL)-Student Discipline

PRESENTER: Lynn McKinney, Deputy Superintendent

BACKGROUND INFORMATION:

As discussed at the January 17, 2023 board meeting, there are four local policies impacted in Update 120. Three of the four policies are being presented for approval this evening. The fourth policy, FFI(LOCAL) Student Welfare: Freedom from Bullying, must comply with the minimum standards adopted by TEA. TEA recently issued updated Proposed Minimum Standards for Bullying Prevention Policies and Procedures for public comment in late October through November 28th. Local policy revisions will be recommended following the publication of the final TEA minimum standards. A summary of revisions for the other three policies include:

- CKC(LOCAL) – Safety Program/Risk Management: Emergency Plans
Education Code 37.108(d) requires a district's multi hazard emergency operations plan to include responding to a train derailment near a district school if a district facility is within 1,000 yards of a railroad track. New recommended local policy text incorporates this requirement into the list of procedures that must be addressed.
- FNG(LOCAL)- Student Rights and Responsibilities: Student and Parent Complaint/Grievances
Revisions to this local policy are recommended at Other Complaint Processes to:
**Clarify how special education complaints are addressed*
**Encompass all instructional resources policies*
**Reference the required hearing procedure for eligibility disputes under school nutrition programs*
- FO (LOCAL)-Student Discipline
The recommended revisions to this policy are to clarify circumstances when restraint may be used generally and to more prominently address restraint of a student who receives special education services.

FISCAL INFORMATION:

None
